# The Spirit of Hauken...

*ONYX 1981*

*HAWKEN SCHOOL  
GATES MILLS, OHIO  
VOLUME XVIII*

Spirit has been an integral part of Hawken School for many years. 1981 marks the twentieth anniversary of spirit at work in the Upper School, an institution which is both constant and continually changing. The 1981 *Onyx* presents a brief glimpse of the past in the hope of enriching the spirit of the present.

## A Fine School Sets A Notable Expansion

"Academically and morally, Hawken has been a standout for the whole country . . . It has proved already that . . . it can induce students (in the words of a great Ohio educator) to learn to enter wisely and unselfishly into the complex relations of life and further unselfish and efficient social progress."

"Trustees of Hawken School . . . are negotiating for the purchase of a Geauga County mansion and about 100 acres of land once owned by motor magnate Walter C. White . . . The acreage being considered by Hawken trustees is part of Circle W Farms . . ." — *The Cleveland Press*, Feb. 23, 1960.

"Hawken School . . . has bought part of Circle W Farm, the estate of the late Walter C. White. The purchase of 25 acres, including the 23-room Colonial mansion built in the early 1920's, was completed yesterday. The price was \$110,000." — *The Plain Dealer*, July 9, 1960.

"(Headmaster Day) said the acquisition and expansion of Hawken would fill a need in this area for an independent preparatory school. 'This fits in as one of the most significant cultural steps in the city's history,' said Day." — *The Plain Dealer*, July 9, 1960.

"'The present ninth grade has chosen to stay on and become our first 10th grade,' Headmaster Day said with considerable satisfaction." — *The Plain Dealer*, March 11, 1961.

"The academic building on Hawken School's new campus in Chesterland yesterday was named in honor of R. Livingston Ireland as some 500 persons looked on at the dedication." — *The Plain Dealer*, October 30, 1961.

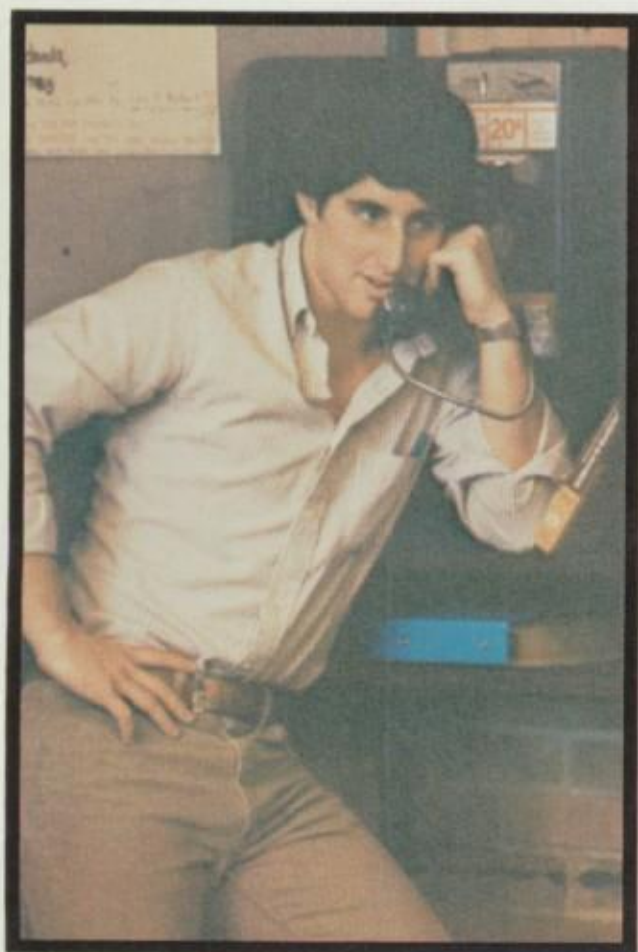

"To Friends and Parents of Hawken School: We have now accomplished what many of you for many years have been urging — that is to establish a twelve grade school plus kindergarten. Our faculty is strong, and if you attended the dedications, I am sure you will agree that we have excellent buildings — neat and functional, but not gaudy . . .

Sincerely,

R. L. Ireland, Nov. 17, 1961."

Dear Alumni:

There has not been a Hawken yearbook since 1932. Last spring a committee was selected to put out a Hawken yearbook for June, 1963. We have named the book "The Onyx", which is Greek for Talon, the symbol of the Hawken "Hawks" . . .

# DEDICATION

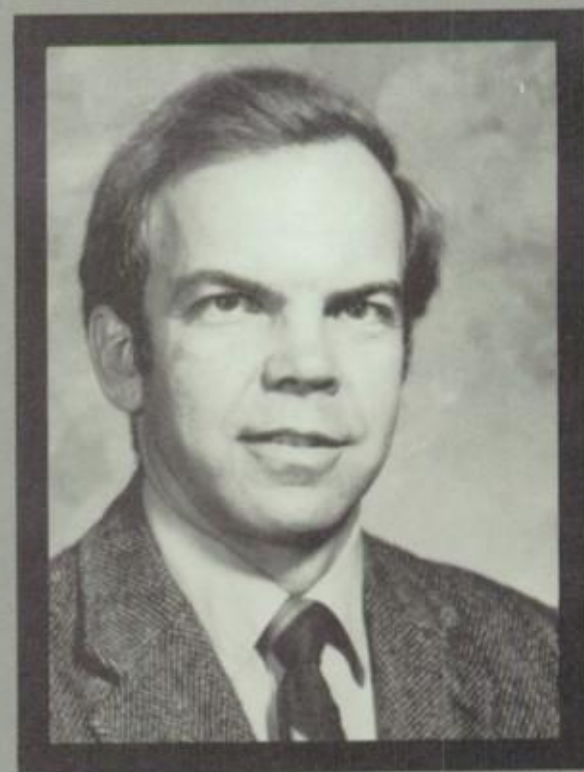

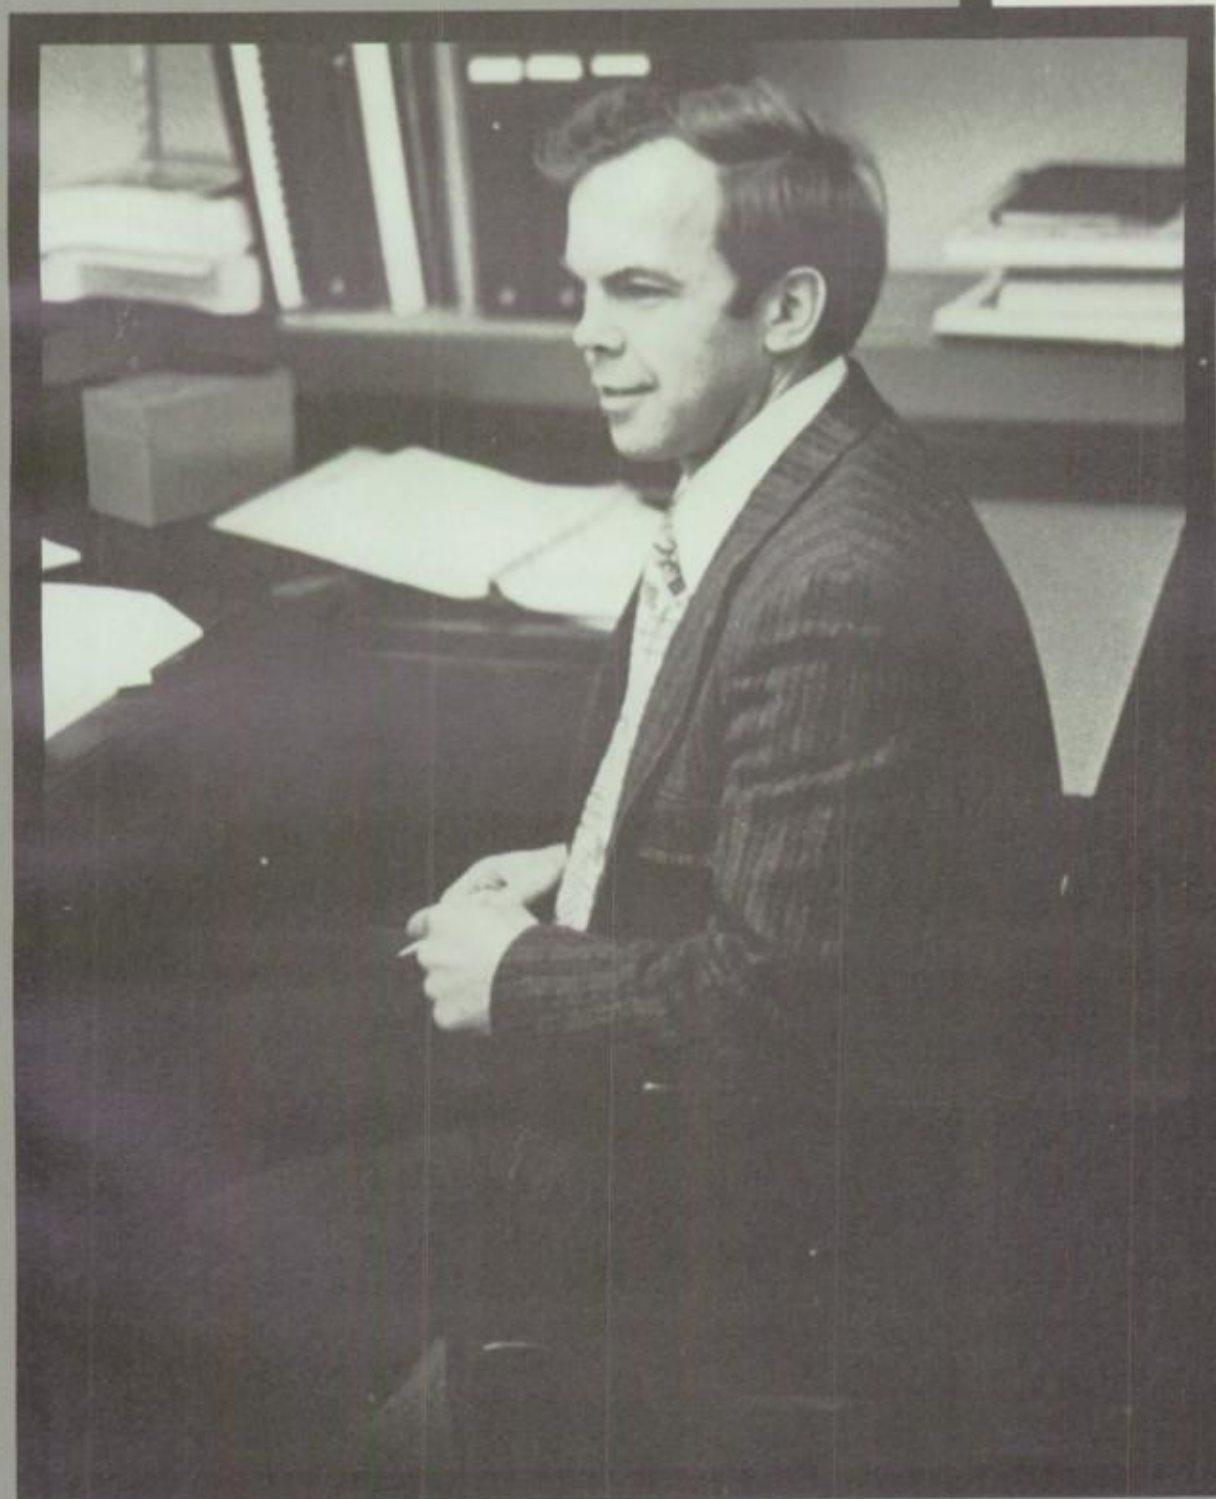

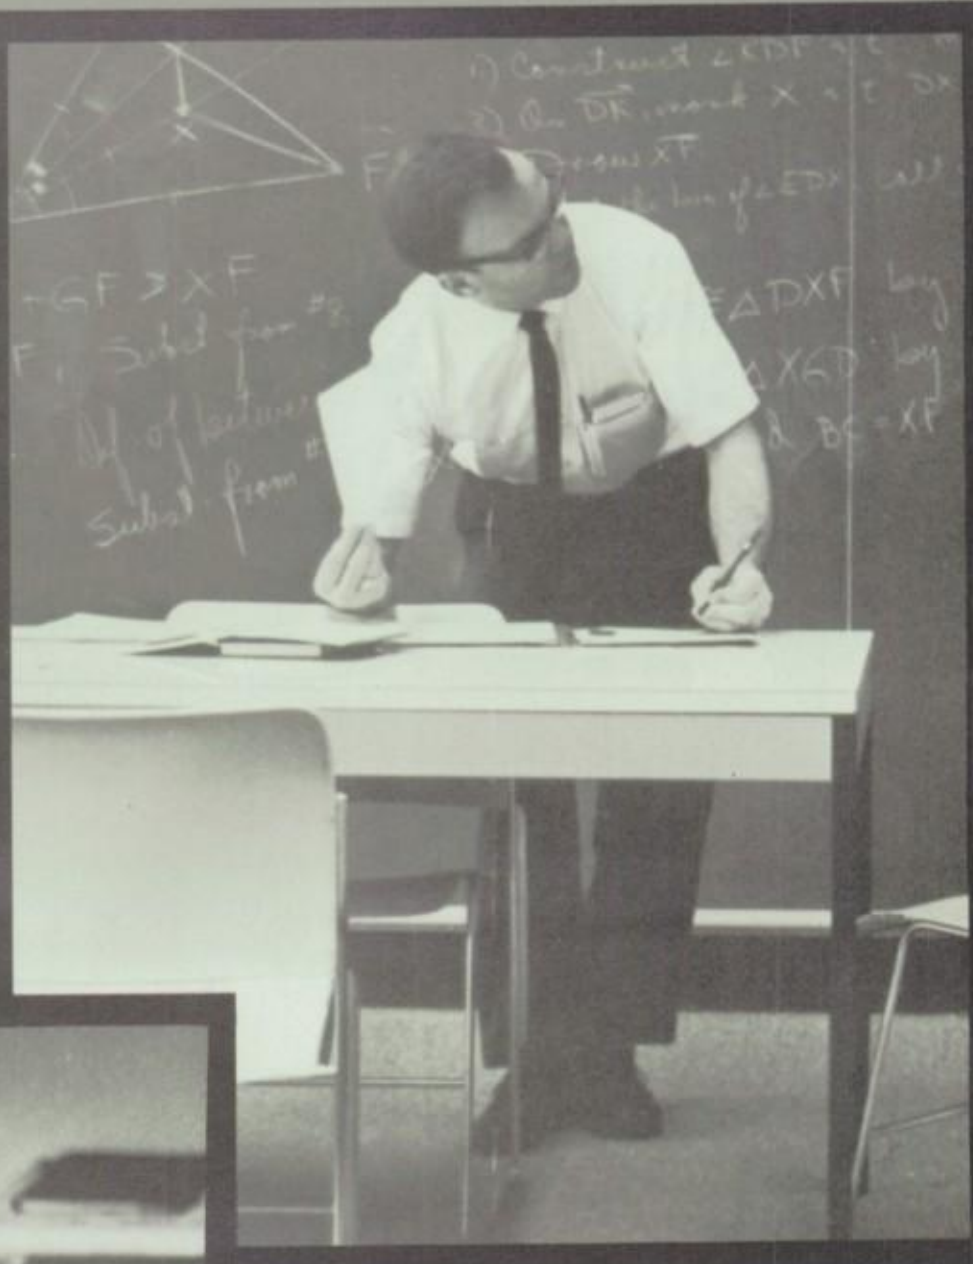

The Class of 1981 dedicates this *Onyx* to Mr. Scott and Mr. Spicer, two men who have gone far beyond their duties in the classroom and on the playing field. Through their kindness and consideration they have gained the friendship and respect which they so rightfully deserve and have truly enriched the Hawken spirit. To Mr. Scott we send our best wishes for future happiness at Hawken. To Mr. Spicer we extend our gratitude for his many years of teaching and wish him luck as he leaves Hawken for new experiences.

For the past eighteen years Mr. Davies has been teaching math at Hawken. He has spent eleven years as Head of the Lower School. During this time, he touched our lives with the care and concern of a true friend. In times of need, he was always present to give us aid. In times of despair, he never lacked a cheerful word to brighten our day. His leadership and guidance have set an example for us all; his humanity has taught us to always remember our fellows. For his outstanding contributions to both the Hawken classroom and community, the *Onyx* of 1981 salutes this special educator and friend and wishes him luck in his future endeavors.

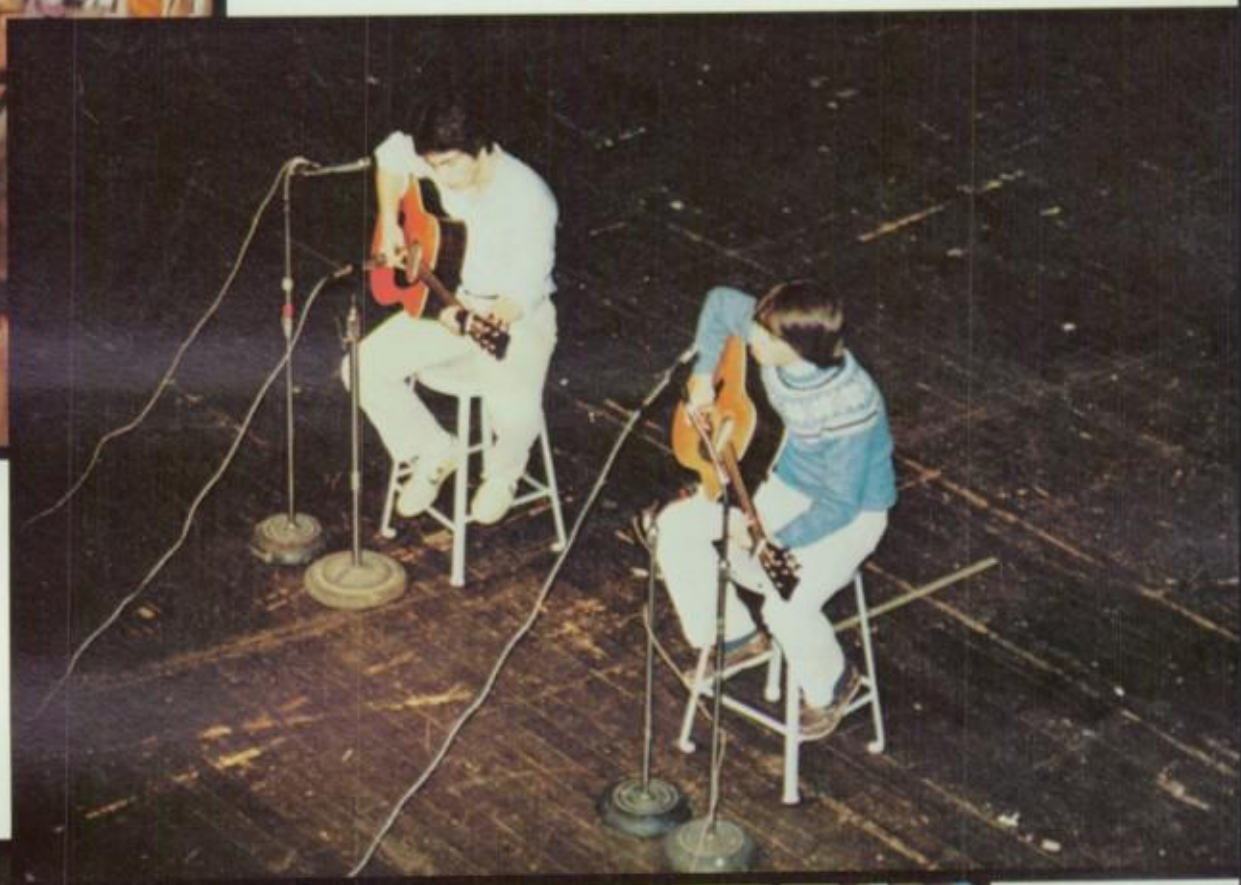

THAT EACH GENERATION INTRODUCE ITS SUCCESSOR TO A HIGHER PLANE OF LIFE.

# CHARLES A. POUTASSE

Charles A. Poutasse, who retired in December of 1980, taught math, natural science, and most importantly a feeling of worth, to children in grades kindergarten to three. He gave Hawken School over 31 years of faithful service, including 20 years as Chairman of the Primary School. Mr. Poutasse's teaching style was marked by the evoking of the highest potential of the children he taught.

Mr. Poutasse is a true outdoorsman and a man who deeply loves children. He has played an integral part in the education of hundreds of Hawken students; his sincere effort and dedication are genuinely appreciated.

The Lower School section of the 1981 *Onyx* is dedicated to Charles A. Poutasse, a man whose special contribution to Hawken School will be greatly missed.

### *The Man in the Glass*

When you get what you want in your  
struggle for self  
And the world makes you a king for  
a day,  
Just go to the mirror and look at yourself,  
And see what THAT man has to say.  
For it isn't your father or mother or wife  
Whose judgement upon you must pass;  
The fellow whose verdict counts most in  
your life  
Is the one staring back from the glass.  
Some people may think you a straight-  
shootin' chum  
And call you a wonderful guy,  
But the man in the glass says you're only  
a bum  
If you can't look him straight in the eye.  
He's the fellow to please, never mind all  
the rest,  
For he's with you clear up to the end,  
And you've passed your most dangerous,  
difficult test  
If the man in the glass is your friend,  
You may fool the whole world down the  
pathway of years  
And get pats on the back as you pass,  
But your final reward will be heartaches  
and tears  
If you've cheated the man in the glass.

To value the views of others is of immense importance. Yet, let us be reminded that this country is centered on individual rights. Conscious conformity portrays a weakness that is weaker than all. The thoughts of an individual gain more respect than the irresponsible ridicule of others. One's action and thoughts must adhere to his value system. Be true to one's self. Don't lose touch with the things that have significant meanings to yourself.

It is fair to say that an unattended grape will most certainly become a raisin. However, the real motivation of moral and ethical pursuit is that one of the great joys of existence for each individual — although admittedly not the only one — is his awareness of the immense world outside himself. This knowledge represents an important point of departure in the life of man from that of the animals. It means knowing about other creatures than oneself, other places than this one, and other times than now. Such knowledge makes it possible for (some) human beings to extrapolate beyond their existence, to what happens before and after their lifetime, and to impart to the chaotic world confronting them a sense of purpose. So hail to alma mater — proud sons we *will ever be!* (ever as in eternity - not just till you die.)

Adrienne Finney - The Divine Image  
To Mercy, Pity, Peace, and Love  
All pray in their distress;  
And to these virtues of delight  
Return their thankfulness.

For Mercy, Pity, Peace, and Love  
Is God our Father dear,  
And Mercy, Pity, Peace, and Love  
Is Man, his child and care.

For Mercy has a human heart,  
Pity a human face,  
And Love, the human form divine,  
And Peace, the human dress.

Then every man, of every clime,  
That prays in his distress,  
Prays to the human form divine,  
Love, Mercy, Pity, Peace.

And all must love the human form,  
In heathen, Turk, or Jew;  
Where Mercy, Love, and Pity dwell  
There God is dwelling too.

He was a man of  
 He wasn't made of  
 child . . . a man of  
 But, somehow he  
 true athletes  
 though he cursed,  
 he prided in the  
 They told him to  
 matter what the  
 he ventured forth  
 lost. And when  
 and said, "It's  
 He clenched his  
 fist, and like a

flesh and blood  
 rock. Angel, devil,  
 ordinary stock.  
 was different—  
 always are—For  
 and bled, and sweat,  
 scar.  
 win like a man, no  
 cost; So many times  
 so many times he  
 they turned around,  
 OK, son; you tried,"  
 headgear in his  
 man, he cried.

But from his tears came anger; then, when it ceased to spin, He rose again, determined that the next time, he would win. His  
 trembling body strengthened; his heart soared in the sky, And his darkened soul stood flaming with the fire in his eye.

And so he worked relentlessly; he struggled and strained. His conscience whipped him mercilessly for every ounce he gained.  
 He ran on legs like pistons; his muscled arms grew sore; He'd tell himself, "I have to," then asked himself, "What for?"

And then, at last, the  
 reckoning; the final hour was  
 here. His stomach lightened  
 dangerously, his muscles  
 tensed with fear. Weak-kneed,  
 he shook the challenger's  
 hand — and then, as one  
 possessed, His instincts gave  
 him power, and his body did  
 the rest.

It suddenly was ended. His  
 body seemed to scatter. A  
 crowd was cheering somewhere,  
 but to him, it didn't matter.  
 One thought was gleaming in  
 his brain — a thought that made  
 him smile: He'd given all  
 he had, and that's what  
 made it all worthwhile.

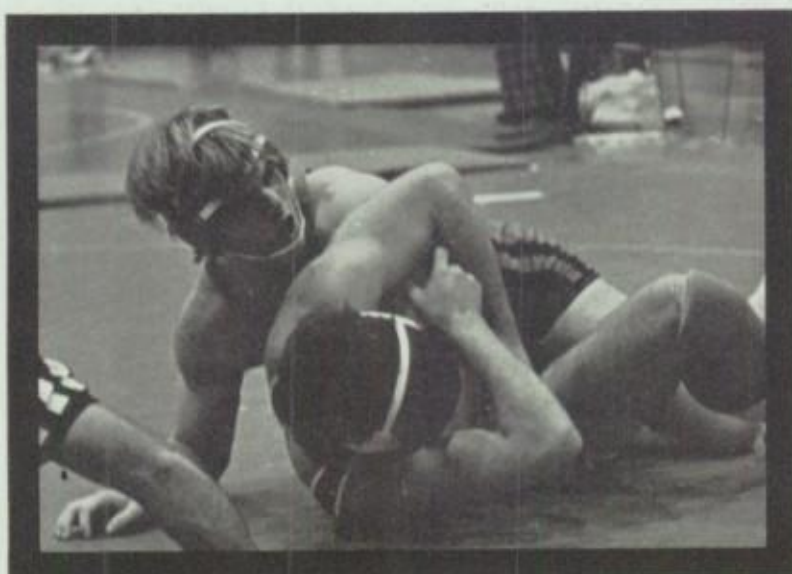

He stood and faced his teammates, with pride instead of shame.  
 He knew not that he'd won or lost, but that he'd played the game.  
 And some call him The Wrestler, and some call him A Man,

VLADIMIR: Let us not waste our time in idle discourse! (Pause, Vehemently.) Let us do something, while we have the chance! It is not every day that we are needed. Not indeed that we personally are needed. Others would meet the case equally well, if not better. To all mankind they were addressed, those cries for help still ringing in our ears! But at this place, at this moment of time, all mankind is us, whether like it or not. Let us make the most of it, before it is too late! Let us represent worthily for once the foul

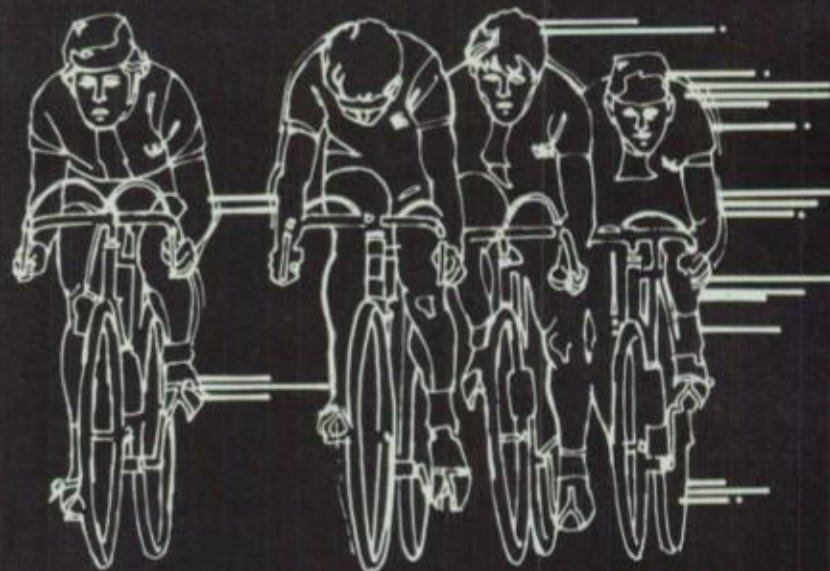

brood to which a cruel fate consigned us! What do you say? (Estragon says nothing.) It is true that when with folded arms we weigh the pros and cons we are no less a credit to our species. The tiger bounds to the help of his congeners without the least reflexion, or else he slinks away into the depths of the thickets. But that is not the question. What are we doing here, *that* is the question. And we are blessed in this, that we happen to know the answer. Yes, in this immense confusion one thing alone is clear. We are waiting for Godot to come -

Being of sound mind and body I do hereby bequeath my following worldly possessions.

First, to Hawken School and my fellow "lifers": I sing a song of praises . . .

Second, to Mrs. Dusenbury: I give a new and healthy plant as a replacement for the one I willfully and savagely "sent into the Undergloom with Paris the wimp."

Fourth, to Jason W. Becker III, IV, and V: I entrust the task of locating my sanity which I misplaces at Mr. Barriss' one fateful eve. Also, I am leaving you a tour book of a certain Nordic country with the hope that you will venture overseas. Not wanting to be remiss on any points, I give you my hand in solemn appreciation for being a friend.

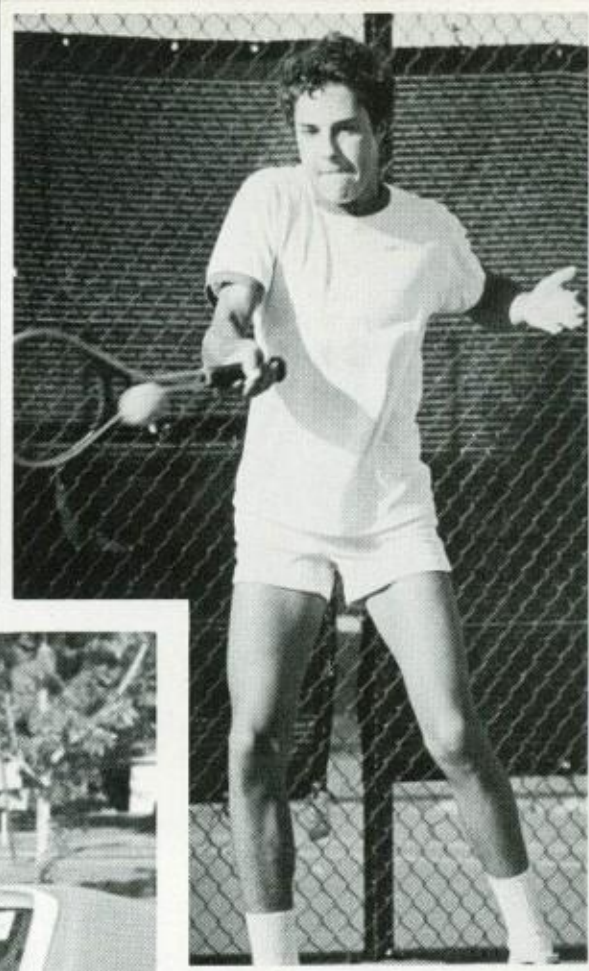

Fifth, to Bozo: I gladly leave a very potent two gallon jug of cyanide.

We need other people, not in order to stay alive, but to be fully human: to be affectionate, funny, playful, to be generous. How genuine is my capacity for love if there is no one for me to love, to laugh with, to treat tenderly, to be trusted by? I can love an idea or a vision, but I can't throw my arms around it. Unless there is someone to whom I can give my gifts, in whose hands I can entrust my dreams, who will forgive me my deformities, my aberrations, to whom I can speak the unspeakable, then I am not human, I am a thing, a gadget that works but has no ashes.

The process of education involves far more than a mere assimilation of data. Certain special people touch one's life, leaving an indelible imprint. To them there will be a debt forever outstanding, a memory forever cherished. To those who taught me that wisdom is more to be treasured than knowledge, I offer both my gratitude and respect.

Weariness of Body and Weariness of Spirit  
Weariness of the legs after some active deed is better  
than apathy and weariness of spirit; weariness of spirit

Have you been half asleep and have you heard voices?

I've heard them calling my name.

Is this the sweet sound that calls the young sailors?

The voice might be one and the same.

I've heard it too many times to ignore it.

It's something that I'm s'posed to be.

Someday we'll find it, The Rainbow Connection;

The lovers, the dreamers, and me.

# FOOTBALL

Explosive, powerful, and unified are three words that describe the 1980 Hawken football team. Despite having only 28 members, the team won more games than any other Hawken team, compiling a record of nine wins and one heartbreaking loss to U.S. in the mud.

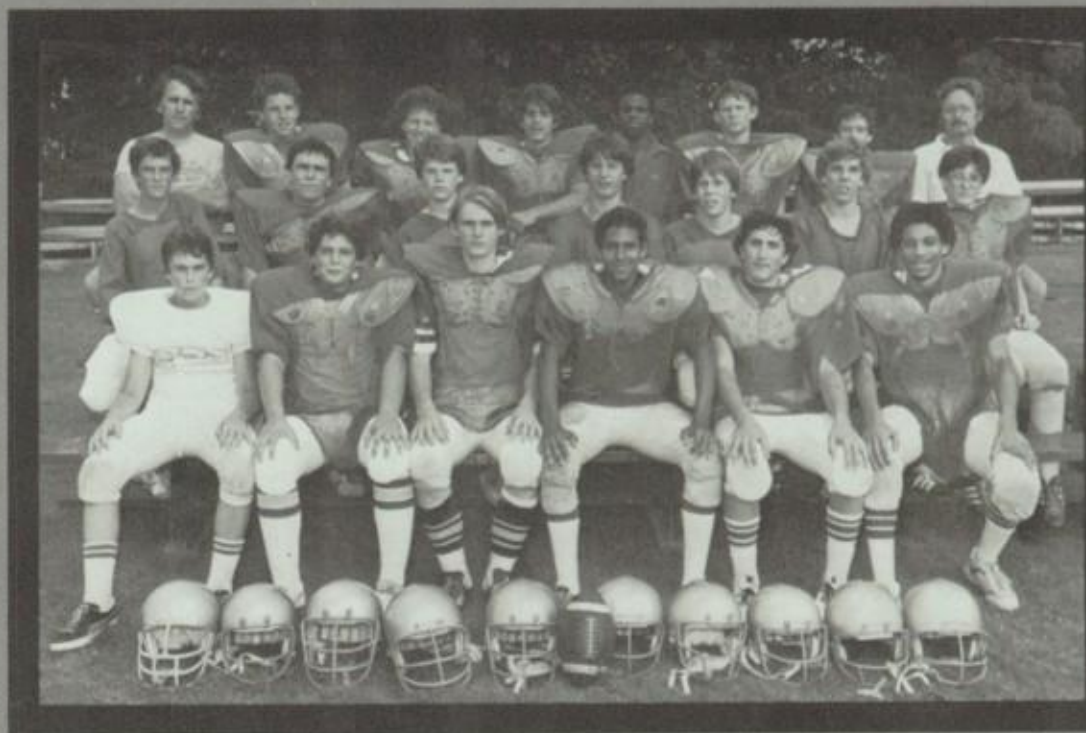

The offense was led by junior quarterback Peter Henkel, who threw for a school record of 1587 yards. Henkel's crew of receivers included junior sensation Eric Hamilton, senior Keith Palevsky, and Jay "Claw" Becker. In the backfield was the all-senior trio of fullback Tri-Captain Bob Fisher, slotback Tri-Captain Matt "Dancin' Joe" Harthun, and slotback Mark Hoffman. Opposing defenses discovered that no single tackler could take down any one of these players. Their running was made possible through the efforts of a fine offensive line; at center and anchoring the line was senior Mike "Daddy Wags" Wagner, a powerful player who outmuscled opposing linemen and linebackers. Alongside were the tandem Hawken prototype guards, senior Mark Deutsch and senior Jeff Turi. Although both weighed little more than 160 lbs., their technique was superior. The bookend tackles were junior Roger Krulak and senior Al Swick. Also helping out at tackle during the season was sophomore Hall Kirkham, a 100 percent effort player. Senior Juan Antunez added a new dimension to the Hawken offense with his strong kicking.

While the offense grabbed the headlines, the Hawken 'D' lived up to expectations and was equally devastating on the gridiron. Allowing an average of 3.5 points per game, the defense prevented eight teams from scoring. Leading the defense in tackles were two hard hitters, Fisher and junior Lenny Slodov. In the trenches was the Baby Bull defensive line consisting of senior Tri-Captain David McCreery at middle guard, tackles Wagner and Dave Groves, and ends Robert Daroff and Mike Greenberg. Gib Kirkham started at end, but was sidelined by a painful injury. Jay Becker assumed the tough "Hawk" position. When the opposition got a chance to throw, the all-senior secondary of Palevsky, Harthun, and Jeff Schwartz was prepared to shut them down.

Throughout the season several members of the team were always ready to contribute in whatever way possible. These players were seniors Greg Roland, Rob Beyer, and Peter Blum, juniors Dave Zellinger, Ken Cramer, and sophomores John Lis, Ron Kaplan, and Chris Pike.

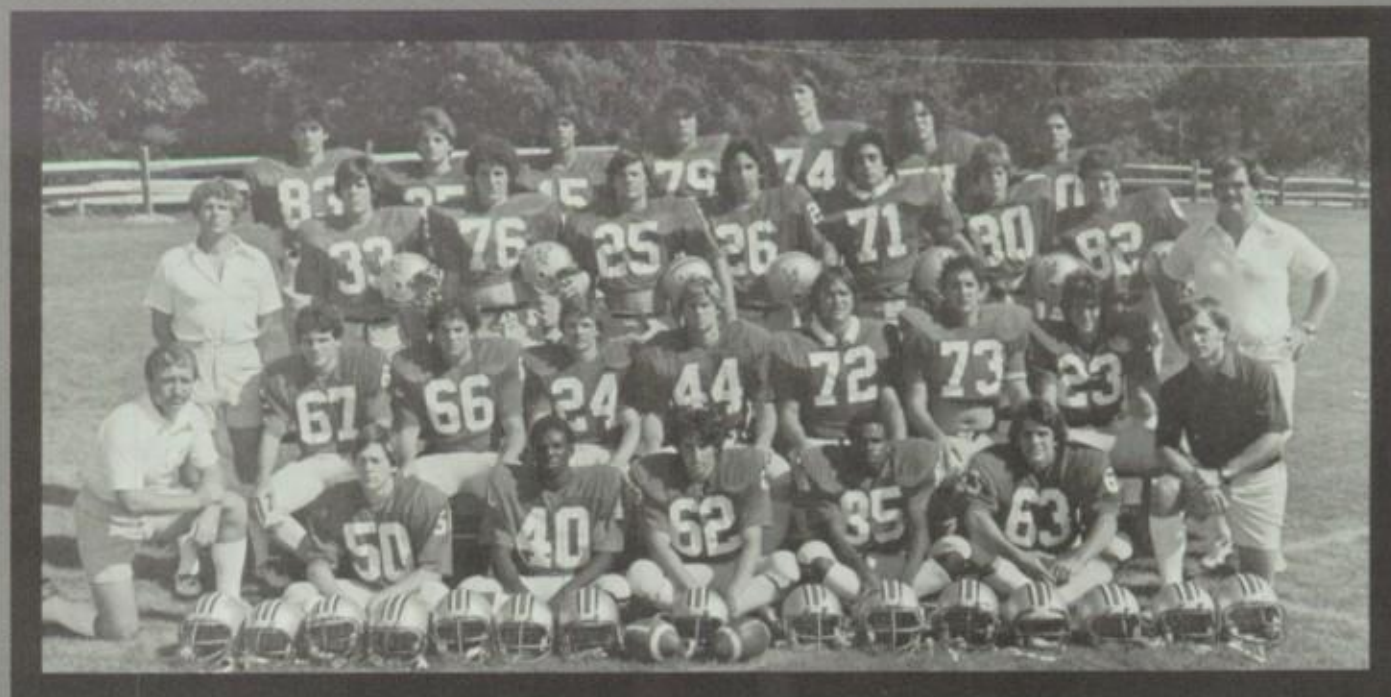

Head Coach Bob Spicer, defensive coordinator Cliff Walton, line coach Frank Rico, and receiver coach Al MacCracken deserve congratulations for making this team the fine cohesive unit it became.

# SOCCER

Under the leadership of first-year head coach John Tottenham, the Varsity Soccer Team compiled its fourth straight winning season, 9-5-2. Although Tottenham was new to varsity competition, the many seasoned veterans of the squad were well accustomed to it.

In the beginning of the season, the Hawks defeated strong teams such as University School and Orange, and drew with powerhouses like Brush on their way to a 6-0-1 start. Then disaster struck. Three year starter and defensive leader Tom Brinker was injured. The Hawks' morale suffered further as Gilmour prevailed 3-2 for the team's first loss, and they went on to lose or tie four straight. However, the team did bounce back. Hawken humiliated Chagrin 7-1 to become the third seed in the Sectional Tournament. Unfortunately, the season ended abruptly with a loss in the first game of the State Tournament.

Offensively, the Hawks were led by Old-Board Award winner Juan Antunez. Playing halfback and forward, he was the team's leading scorer. Second in scoring was junior Martin Schulz. Glenn Girty, a three year letterman, rounded out the starting forwards.

The halfback line was led by Captain and first team all leaguer Neil Lasky. Accompanying him were senior Rob Moore and junior Ethan Cohen. Heading up the defense were center-full Paul Nahra, sweeper Eric Ellis, and outside fulls Scott Bowen and Ben Lewis. Platooing goalies were sophomore Brad Bryan and senior Steve Warner. As representative for the group, Steve Warner received league recognition.

Seniors Paul Frankmann, Jon Grunzweig, Tim Whitehouse, David Geller, David Watson, juniors Mike Davies and David Lader, and sophomores Doug Healy and Graeme Tank rounded out a well-balanced 1980 team of which the school can be proud.

Under new head coach Valerie Fawcett, this year's Girls Tennis Team compiled a very impressive 10-2 record. The lady Hawks' only losses came against Beaumont in the Ohio Coaches Team Tournament and in the N.E.O.T.A. A-AA finals to Hathaway Brown. This fall the girls were led by seniors Jane Selis, Rachel Mann, and Anne Whiteman. The rest of the squad was composed of juniors and provided a very experienced group to represent Hawken on the courts.

Juniors Liz Peay (9-3 overall) and Jackie Svete (9-2 overall) alternated at first and second singles throughout the season. Jackie's hard-hitting consistency led the team to many victories, and Liz, in her second year of top singles competition, was one of the top players in the area. Filling the third singles position this fall was Rachel Mann. In her second year at this position, Rachel posted an 11-1 record, the best on the squad. Rachel ended her tennis career at Hawken with an outstanding 45-8 record.

Hawken's doubles teams this year proved to be the strongest in the area. At first doubles, senior Jane Selis (10-2) and junior Nancy Hastings (10-1) combined for the second straight year. Their defeats of Laurel's and W.R.A.'s previously undefeated teams highlighted their season. At second doubles, Anne Whiteman (7-5) and junior Dennie Eaton (7-5) teamed up to have a very successful season. Their improvement throughout the season was obvious as they won five of their last six matches.

Despite their success, the lady Hawks had a disappointing Sectional Tournament. Unfortunately, none of the girls advanced, but the success and fun the team had coupled with the friendship of Coach Val made the 1980 season one of the most memorable ever.

## FIELD HOCKEY

The 1980 field hockey season ended with the team securing a winning record of 7-5-1. Throughout the season the girls improved in terms of putting together all of their abilities as a team. The season began at a fast pace, with Hawken winning its first four games and establishing its reputation as "the first good Hawken field hockey team in several years." After beating Hathaway Brown and Laurel, the team went to the W.R.A. Tournament and proceeded to beat Stow 5-1 and Hathaway Brown in a flick out, thus securing a place in the finals. Unfortunately, they met very tough competition and lost. Nevertheless, the season ended very successfully.

The 1980 offense consisted of seniors Alison Loop, Sharon Marsee (Co-Captain), Sherri Powar, Amy Wiedemann, Roxanne Zulauf, and part-timer Nina Ragone, juniors Bonny Dutton, Christy Fotheringham, Amy Leizman, and sophomore Sue Emert. These girls worked well together as a team. The top scorers were Bonny Dutton, Sharon Marsee, Sue Emert, Roxanne Zulauf, and Nina Ragone.

The defense consisted of seniors Debbie Eisenstat, Pam Hyde, Nina Ragone, and Tracy Easterday (Co-Captain), juniors Wendy Bauer, Anne Blum, Meg Belden, Sue Selis, and Carol Stvan. The defense was tough and aggressive. Fullbacks Nina Ragone and Sue Selis both proved to be consistent, reliable performers with strong drives. Other fullbacks Meg Belden and Carol Stvan worked well with goalie Pam Hyde, who saved many of our victories. Pam was specifically outstanding in the W.R.A. Tournament. Halfbacks Wendy Bauer and Tracy Easterday played aggressive, intelligent games, while Sue Selis, Anne Blum, and Debbie Eisenstat were tough and dependable.

Awards for excellence were given to Bonny Dutton for offense, Pam Hyde for defense, Wendy Bauer for the most improved player, and the Old-Board Award went to Tracy Easterday.

# CROSS COUNTRY

The 1980 Cross Country Team appeared to be unbeatable with only one senior graduating from the previous year. The upcoming season, however, was destined for disaster before it even began. Two returning juniors from 1979, Armen Najarian (second man) and Don Rositano (fifth man) left Hawken School and caused a large gap not only in talent but in morale. The defection of a number of other team members over the summer worsened matters. In addition, the 1980 team suffered the loss of their long-time, greatly respected coach, Fred Hoffman.

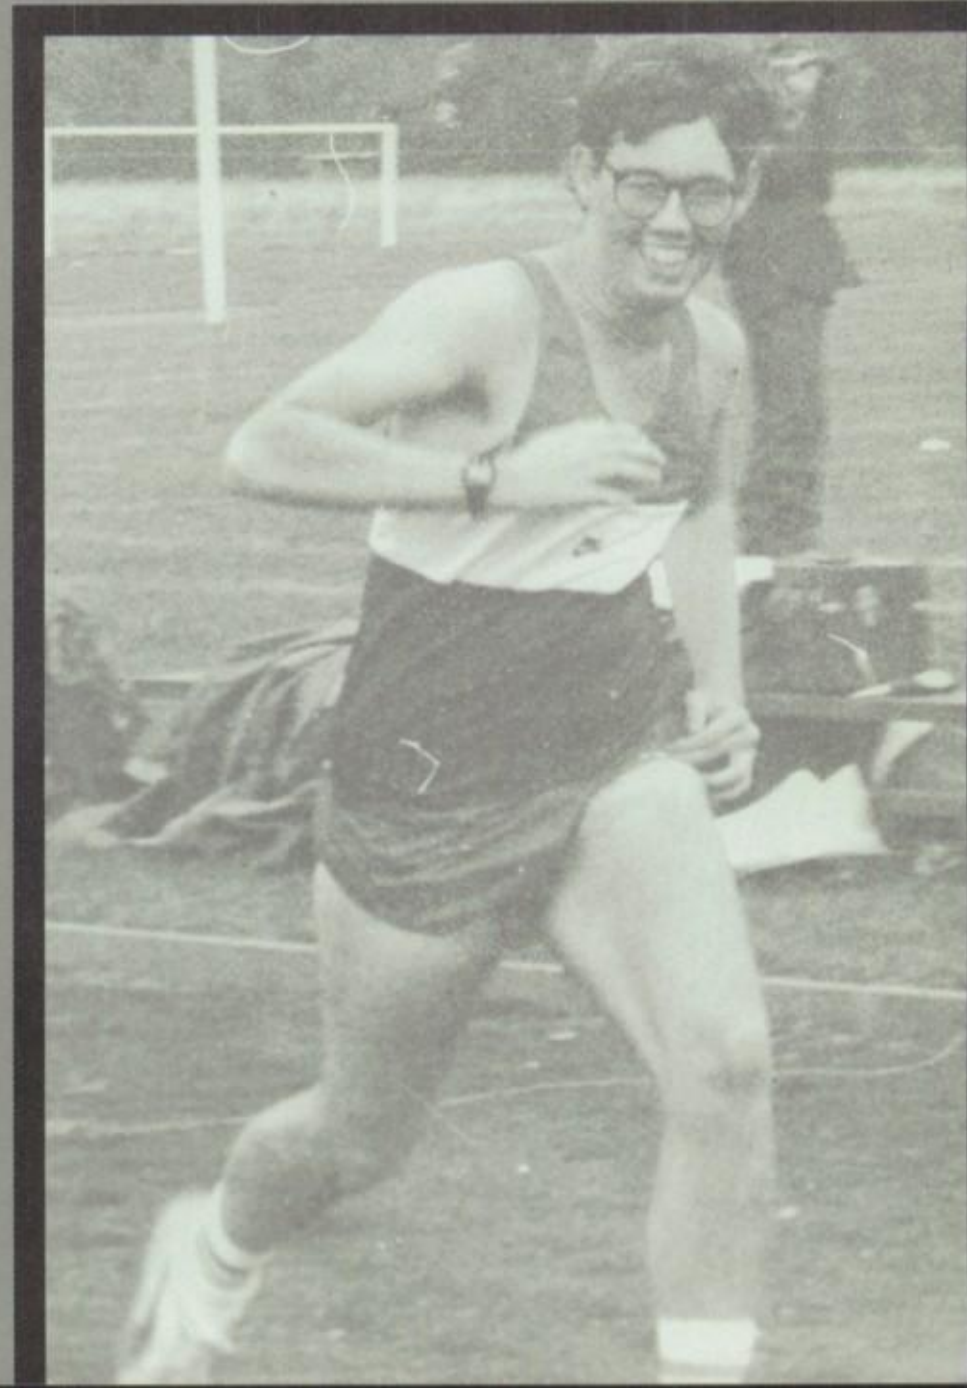

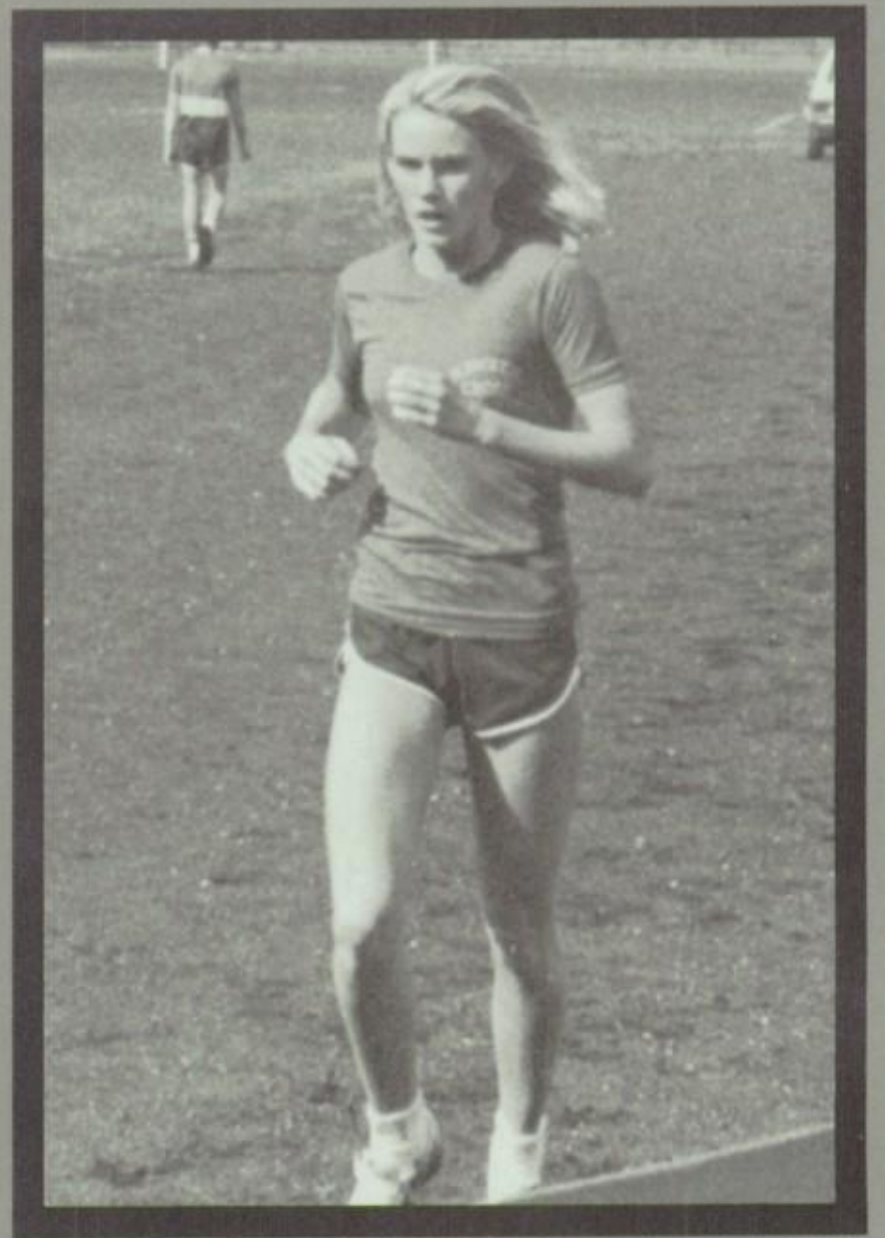

A core of veteran runners composed of seniors Todd Kneale (Captain), David Scharf, David Sullivan, and junior Jeff Hoffman (all returning from the previous year) set examples for the new members with leadership and hard work in the face of a rebuilding season under coach Robert Hawkes. Freshman Greg Schmidt was the big surprise this year, taking over the number one spot from Todd Kneale, who ran second for most of the season. The next two spots were filled by the experience and speed of Dave Scharf and Jeff Hoffman, respectively. The number five position went to one of the "rookie seven", sophomore Hugh Gettig. The varsity team was rounded out with a veteran, senior David Sullivan in the sixth spot, and freshman Peter Ragone in the seventh spot. Junior Thomas Frayne ran for the first time this year and performed admirably, adding spirit to the team at every meet. The squad was filled out by Tara Frayne, Jenna Rose, and Lori Sherman, each of whom ran with admirable dedication and improved for strong positions next year.

Unfortunately, at Sectionals Greg was unable to participate, and Todd placed sixteenth, missing Districts by two places. Yet 1980 was not an unsuccessful year for Hawken Cross Country. In the face of seemingly impossible hurdles in early August, a crushed team rebuilt itself with fresh talent and was impressive in emerging as a respectable threat. As in 1979, 1980 held its share of frustration for Hawken Cross Country, but with a new base of experienced runners, 1981 promises to be a year of success.

# VOLLEYBALL

## J.V.

The 1980 volleyball season was filled with a lot of hard work and fun. In late August we began practicing, and expected to start on a light, easygoing note. Were we ever surprised to discover that Mrs. Kuss and Mr. Rosenzweig had attended a coaches volleyball camp in Columbus during the summer. They were happy to report that they had learned many "new," exciting drills for us to attempt. Both the pre-season and regular practices were filled with seemingly endless hours of sweat and basic skills drills.

The work paid off, as we finished our season with an 8-7 record, a real improvement over the 6-10 record of the year before. Nancy Harthun, Lisa Deighan, Karen Warner, and Beverly Lyles provided solid spiking for the team, while Ann Bresnicky and Marsha Brown were consistent with excellent sets. Marsha often surprised our opponents by spiking in their faces when they expected a set. When the varsity starting group played inconsistently, our second team consisting of Marina Zulauf, Greer Goodman, Donna Nakamoto, Lauren Brittenum, Laura Fader, and Shari Lyons stepped in and did a respectable recovery job.

Although we worked hard most of the time, we took time out for fun things like eating. Our first feast session was at the Hathuns'. We then had a "munchdown" at the Peppercorns'. In between the eating, there was more eating! The varsity team ate pizza and more pizza at Mrs. Kuss' home. There was a good reason behind our eating escapades. A constant fear expressed by many of the volleyball players was that too many calories might be lost in the hard workouts, causing a subsequent loss in weight. Extra eating enabled us to preserve our ideal figures.

All in all, our season was one of balanced energy ratios and win-loss records. Volleyball '80 was a lot of fun, and the team is looking forward to next year and another winning season.

# GOLF

Under coach Dave McCahon, the 1980 Golf Team had a relatively successful season considering the tough schedule. The golfers this year were Dale Pistilli, Brad Dunning, Bill Randorf, Joe Farris, Bob Page, John Elser, and Bill Forsythe. Leading the team with an average of 42 was sophomore Randorf, while junior Pistilli and sophomore Farris each had a 46 average. Both Elser and Dunning had averages of 48, and Page and Forsythe played credibly.

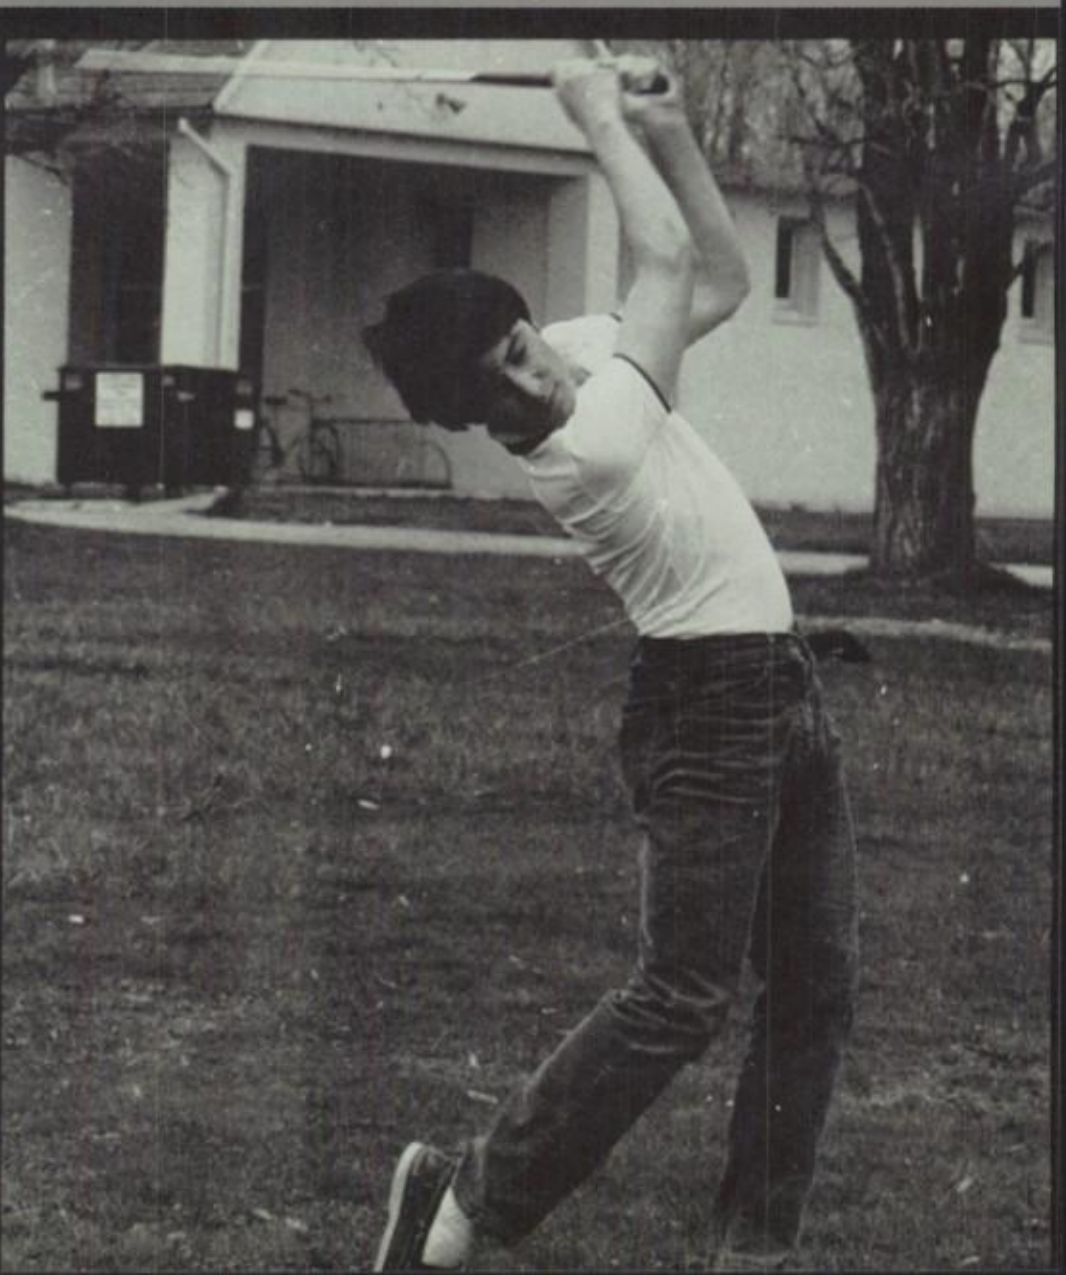

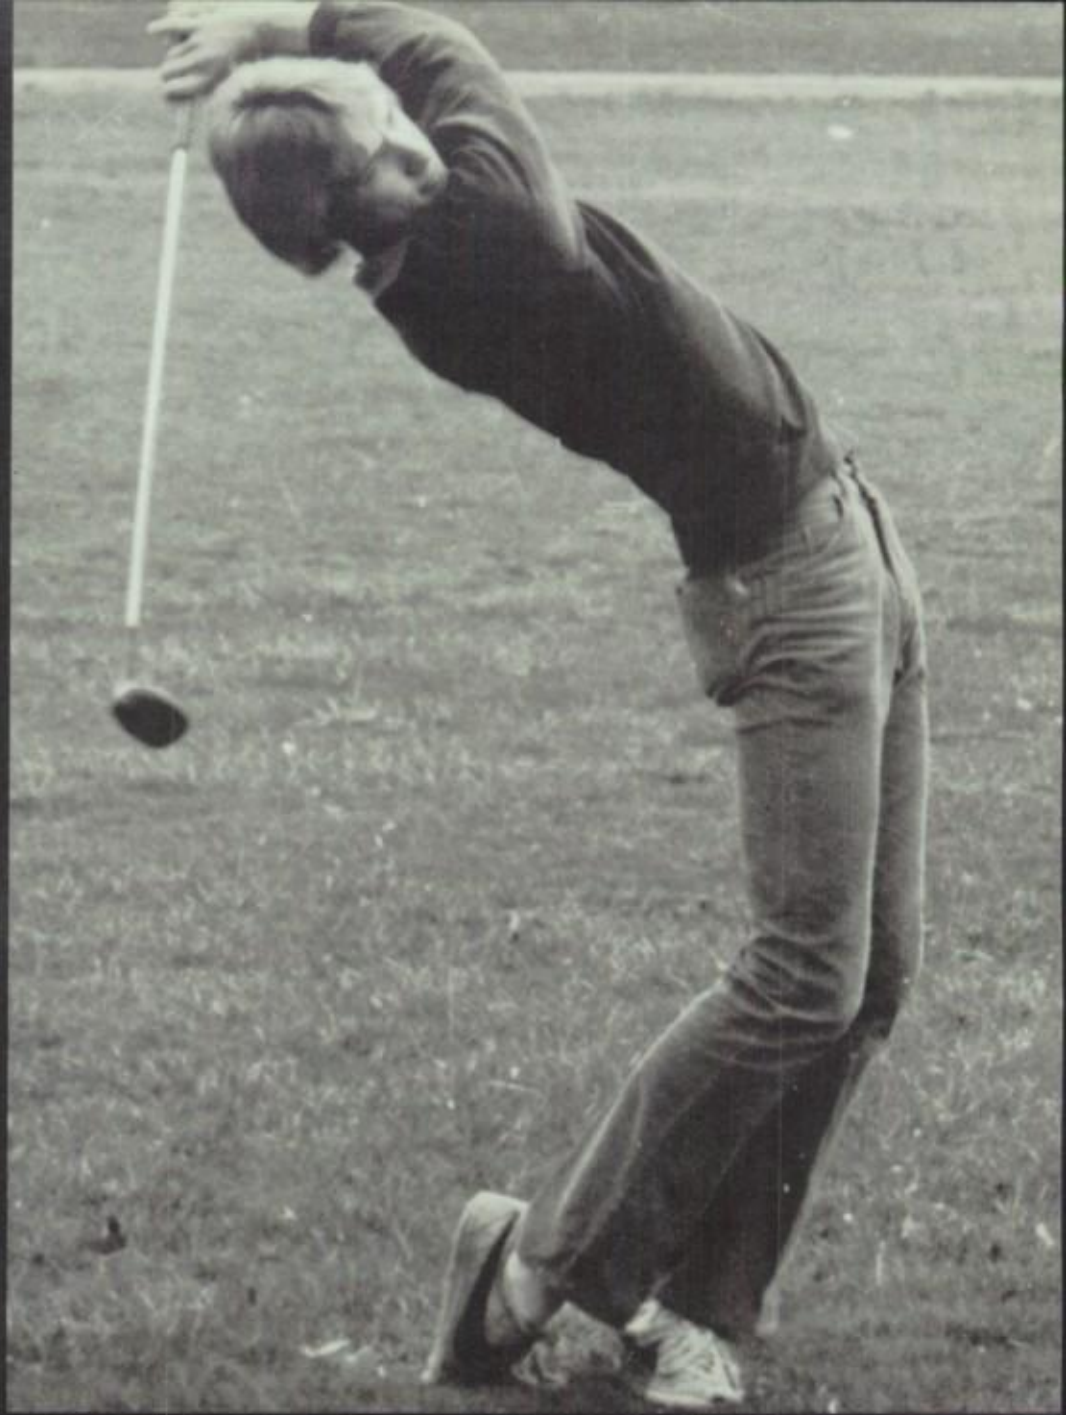

The team's record for dual matches was six and twelve. This record, however, was not truly representative of the way the Hawks played, since several of the matches were lost by only a few strokes. The most heartbreaking loss of the season was the match against Cuyahoga Heights at Mayfield Country Club in which both teams were tied after nine holes. In a sudden death playoff, Brad Dunning pitched in from forty yards out. Despite this heroic effort, the Hawks lost by a single stroke.

In the Sectional Tournament held at Punderson, the golfers placed second and therefore became eligible for the District Tournament. The scores in Sectionals consisted of Randorf's 83, Elser's 85, Farris' 96, and Dunning's 97. Leaving Sectionals with a team score of 361, the golfers traveled to Oak Knolls for the Districts, in which they finished in a tie for sixth. The District scores were Randorf's 80, Dunning's 90, Farris' 102, Page's 105, and Elser's 106. With every member of the 1980 team returning next year, the Hawks should progress to a more successful season.

# BOYS' BASKETBALL

The 1980-81 basketball team went into the season with an optimistic attitude. The goals were to win all the games, (for it had the potential to do so) and to get to districts to win that elusive first game, and from there who knew what the team could do.

After the first eight games the team had up held it's first goal to go undefeated. Then the team traveled to Pittsburgh, without the services of a key player and with the services of another who was just getting over the flu. In this ninth game, the team lost an emotional game to an upstart Shadyside team. The team then went on a rampage defeating the likes of the traditionally strong teams, Berkshire and Beachwood. It was in the fifteenth game that the team suffered it's second loss as a strong U.S. team defeated us. After having beaten U.S. at home, the basketball team traveled to their gym and in front of a packed house Hawken lost a thriller which went three overtimes. The Hawks went on to win the rest of it's regular season games and two sectional games. The team then came to that elusive first game of districts at Canton Field House and lost a heartbreaker to Clearview by two points.

Despite not going undefeated and not winning the first game, districts, the season was extremely successful. Coach Tom Bryan won his 150th game during the season and the Hawks having their best season ever with a record of 20-3 were two of many accomplishments.

More important than the statistics and other things you read was the fact that this team was a *team*! There was balanced scoring, team defense, support from all players, and of course the all important "sixth man", the fans who were just great. There were nine experienced seniors, two juniors and three sophomores who were added at the end of the season. The seniors were starters Dale Kates, Juan Antunez, Mark Hoffman, Neil Lasky, Keith Palevsky, Keith Logan, Alan Swick, Bruan Beck, Greg Roland and Mark Deustch. The juniors were Steven Phillips and Eric Hamilton and the later added sophomores were Chris Pike, Greg Green and Brad Bryan.

The only way to describe this team is with the word "class" for it had it. The members of the 1980-81 team can look back on their season with pleasant memories.

# GIRLS' BASKETBALL

For only the second time in its seven year history, the girl's basketball team compiled a winning record. This year's team, led by senior co-captains Rachel Mann and Beth Hellerstein, finished the season with 11 wins and 9 losses. Coming off a dismal 7-14 campaign, Coach Doug Smith decided to change the girls' style of play, and this year's team successfully implemented a run and gun offense. Their hard work and desire led to key wins over schools such as Beachwood, Laurel, and Glen Oak. Although counted in the loss column, the one point thrillers against W.R.A. and Grand Valley were also evidence of the team's vast improvement. Undoubtedly, the high point of the year was the 12-8 overtime loss to a powerful Richmond Hts. squad. Although a defeat, the lady Hawks took the Spartans down to the wire in a contest controlled by Hawken's new stall game, and for the first time ever they were not annihilated by this strong opponent. Coach Smith was gloating over this accomplishment for weeks.

Along with the seven returning varsity letter winners, many new players came out for this year's squad. The attack was headed by Rachel Mann who led the team in every offensive category. She broke her own record for points in a season and set a single game scoring record with 35 points. The senior also set new school records for steals in a season, steals in a single game and total season field goals. Starting point guard and playmaker Beth Hellerstein added excellent ballhandling skills and 3 years of varsity experience to the effort. Her staunch defense hounded the opponents, and her 50% from the free throw line was second best on the team. Junior starters were Linda Alemagno and Anne Bresnicky. Bres' bullet passes and amazing assists and Linda's power under the boards significantly increased the team's strength and indicates the possibility of a successful season next year. Junior Lisa Deighan also started at times and led the team with a 60% free throw percentage. New players from this year's junior class were Marina Zulauf and Dennie Eaton, both of whom should play a significant role in next year's squad. Sophomore Nancy Harthun also starred in a starting position until December when she was seriously injured in the Andrew's game. Her amazing recovery was a definite boost to the team as she returned in February to play an inspired game against W.R.A. and help out in Sectionals. Other sophomores on the team were point guard Sophie Lorenzo, guard Sherri Lyons, and center Laura Mitrovich. Finally, a big surprise this winter was the addition of freshman, point guard Amonica Kirkpatrick. Amonica's excellent ballhandling and deadly outside shot will make this position one of the strongest in the years to come.

Finally, this year's J.V. squad, under the coaching of Valerie Fawcett, compiled the best record in their history, 11-5. Although this season was not outstanding, all the factors point towards a very powerful team in the upcoming years. With the return of ten varsity players and the addition of the J.V. stars, all that can be said is, "Smitty, can we go to Macs?"

# BOYS' SWIMMING

Congratulations to the 1980-81 boys' swimming and diving team. They have overcome many difficulties to culminate the year with numerous outstanding swims. The team was sparked by a few outstanding swimmers, while the majority of the team added great depth. This enabled the team to score well in dual meets and to accumulate high point scores in the championship meets, consistently leading to victory.

The dual meet season began with an explosive win over arch-rival U.S. During the remainder of the season we suffered from a lack of competition, leading to lowered motivation. The final competitions of the year were extremely valuable to the development of the Hawken swimmers as a team. We lost our last two dual meets but remained strong in spirit.

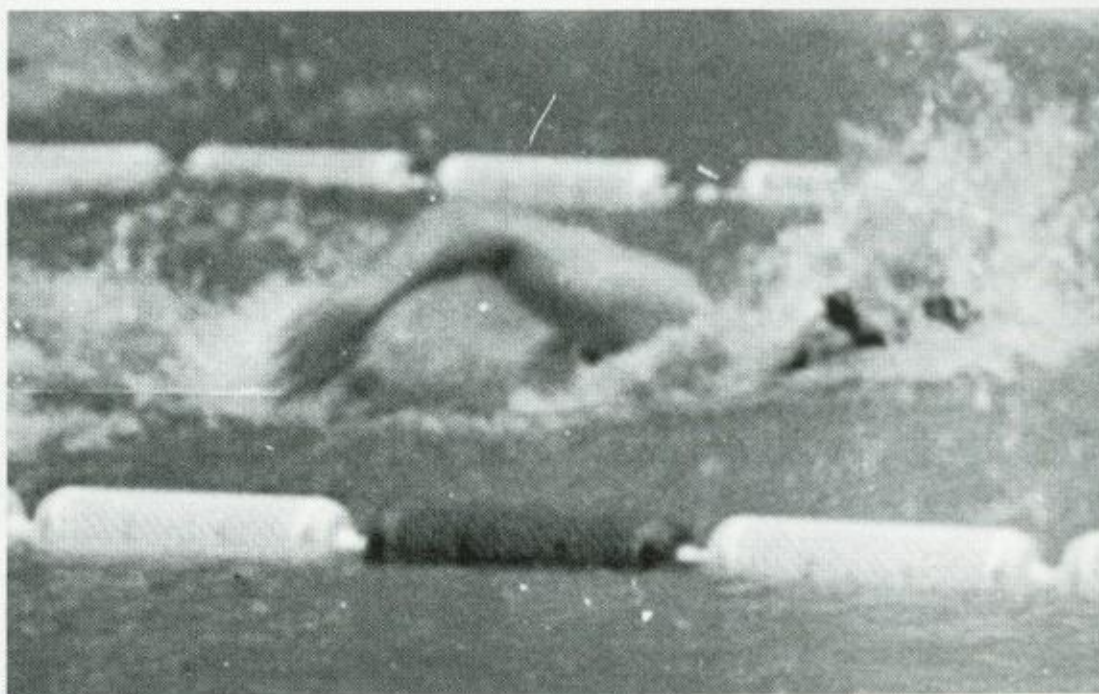

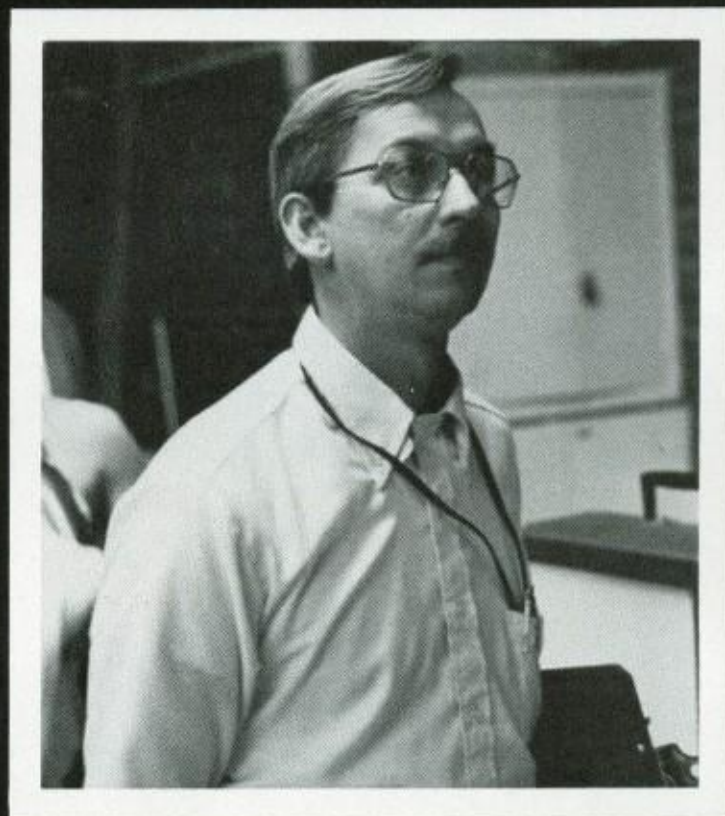

In the North-Eastern Ohio district meet the team began with a victory in the 200 medley relay (Ted Esselstyn, Chuck Westbrook, Mark Hontas, and Ted Kirkham). Andrew Stack and Greg Metzger scored highly in the 200 freestyle. The 200 I.M. added higher points to the total as Jim Branden and Mark Hontas finished first and second, respectively. We dominated many events, with Hawken swimmers standing high on the swimmers podium. Top achievers were Ted Esselstyn and Doug Crystal in the 100 butterfly, Mark Hontas and Greg Metzger in the 500 freestyle. The 100 backstroke was the team's event. Ted Esselstyn took first, Jim Branden third, and Peter Henckel fifth. Bill Westbrook and Steve Reed scored well in the 100 breaststroke. Special recognition should be extended to Mr. Nat Carter and his unprecedented scoring in the diving, as Doug Healy placed twelfth.

Seven members of the Hawken swimming team qualified for the state championship. Seniors Jim Banden and Chuck Westbrook, Juniors Ted Esselstyn, Mark Hontas, and Andrew Stack, Sophomore Greg Metzger, and Freshman Ted Kirkham. These swimmers won the state single A and double A titles and placed fourth among the largest schools in the state.

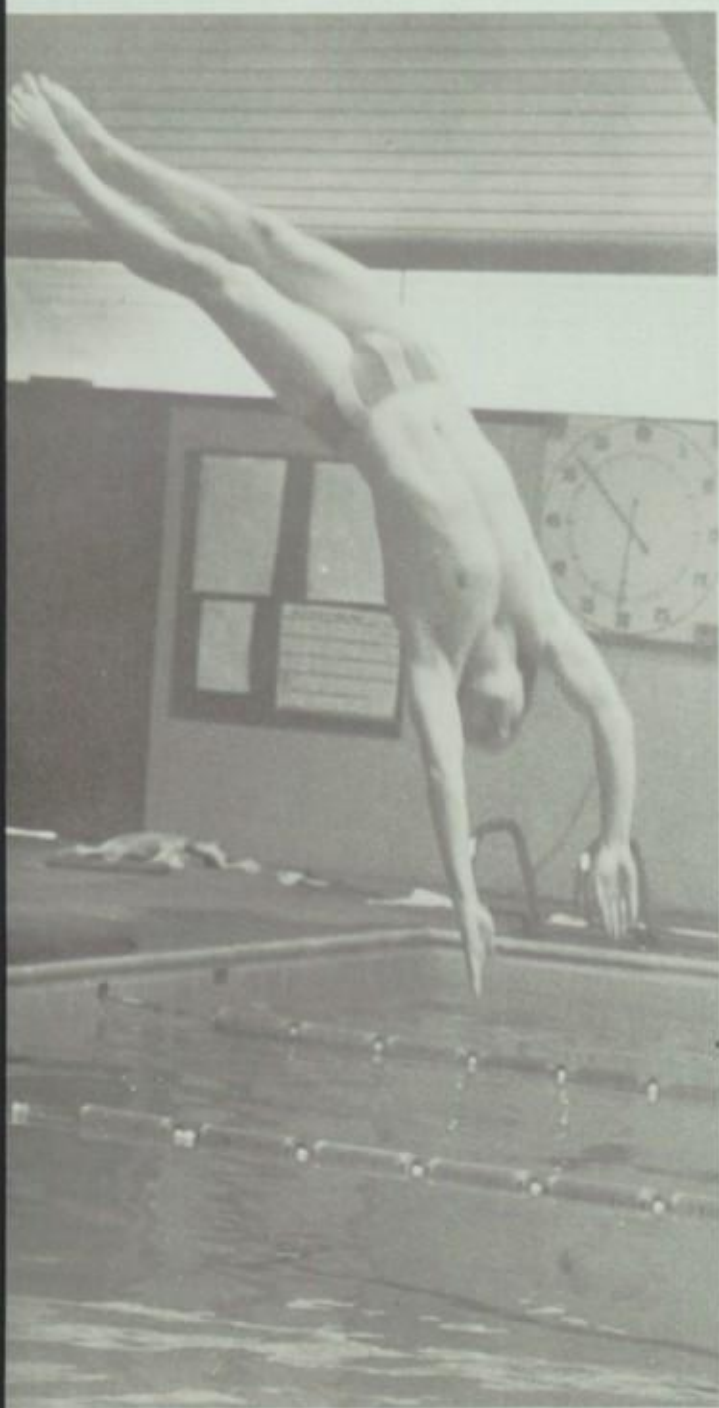

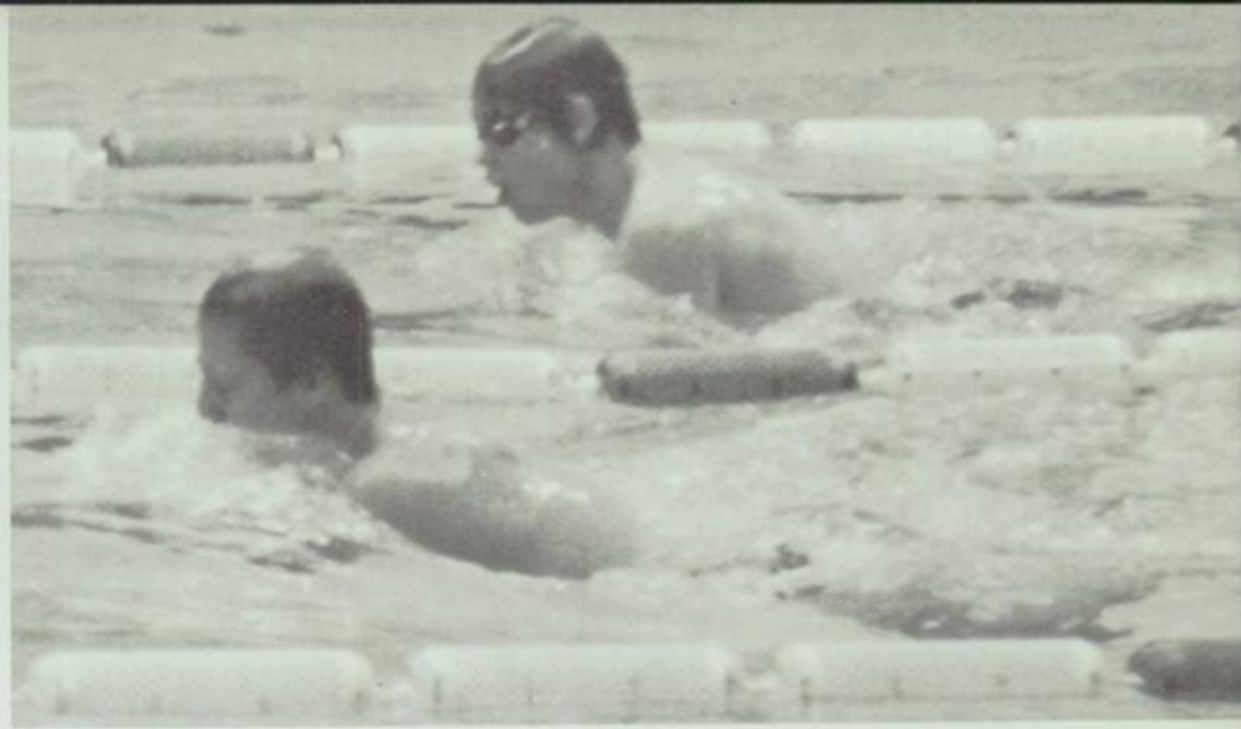

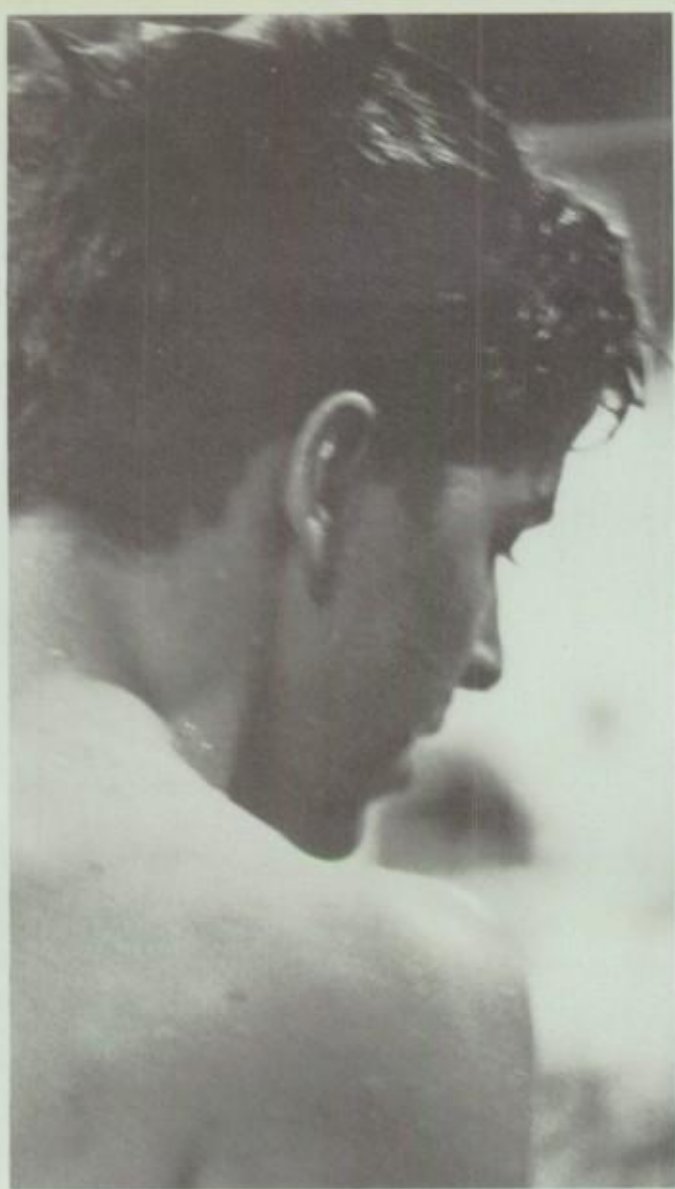

Many thanks to our always-helping coach Jerry Holtrey, who no doubt feels proud watching his swimmers develop as athletes and as people. No student can completely thank him for his invaluable guidance.

# GIRLS' SWIMMING

The 1980-81 girls' swimming and diving team had a very successful season establishing an undefeated dual meet record of 9-0, placing first in the District meet, and second in the State meet. Despite the fact that the team was only in its second year, the girls established themselves as one of the best teams in the state. All the school records were broken, indicating the excellence of the team. With 21 members, the team had a lot of depth as well as many experienced swimmers.

The team won their second consecutive District title by placing 12 girls for points. They were: Aimee Conroy in the 100 fly, 200 IM, and free relay, Sara Dunn in the 200 free, medley relay, and free relay, Tracey Easterday in the 100 fly and 100 back, Sue Emert in the 100 back and medley relay, Jane Esselstyn in the 100 back, 200 IM, and medley relay, Jenny Gaag in the 100 back, Nancy Hastings in diving, Maureen Jennings in the 100 breast, 200 IM, and medley relay, Karin Schupp in the 500 free, Jenny Uebele in the 200 free, 500 free, and free relay, Kathy Wright in the 100 fly, 100 breast, and free relay, and Roxanna Zulauf in the 100 breast.

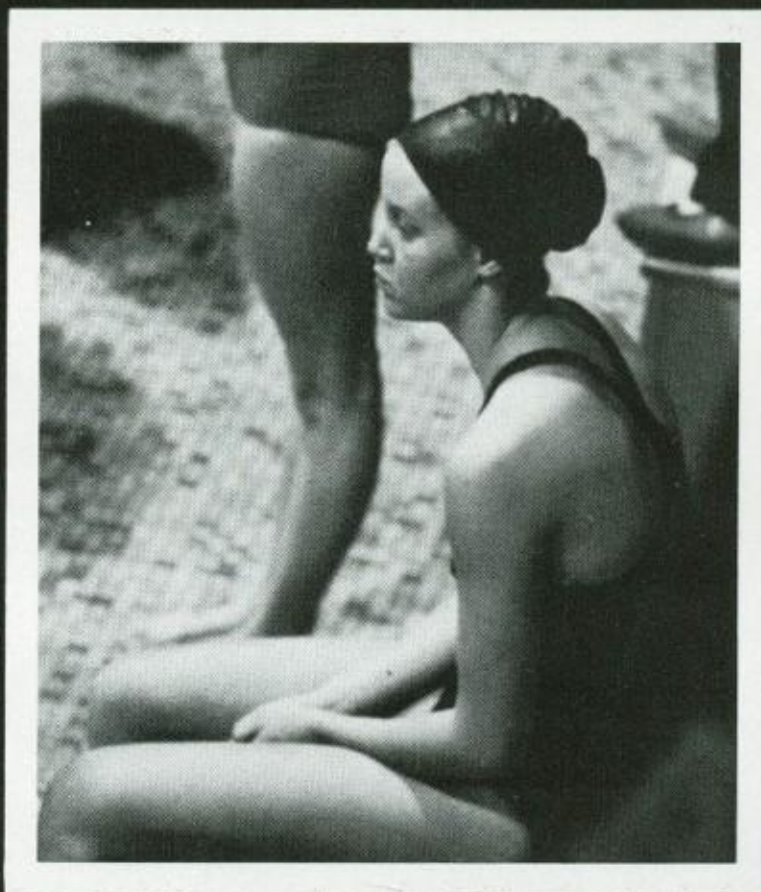

The state team consisted of seven girls: Jane Esselstyn, Sue Emert, Jenny Uebele, Kathy Wright, Sara Dunn, Maureen Jennings and Aimee Conroy. Jane won the 100 back and was a member of the first place medley relay team along with Sue Emert, Sara Dunn, and Maureen Jennings. This team of only seven girls placed Hawken second in the state, a further indication of the swimmers' abilities. Other members of the team who contributed not only in ability but in enthusiasm were: Alison Loop, Bonny (BJ) Dutton, Claudia Richardson, Wendy Bauer, Anne Whiteman, Jane and Sue Selis, Ginny Gascoigne, and Mary Amor.

The awards went to Kathy Wright for Most Valuable Junior, Jane Esselstyn for Most Outstanding, Nancy Hastings for Most Improved, Tracy Easterday for Spirit, and Roxana Zulauf received the Old Board Award.

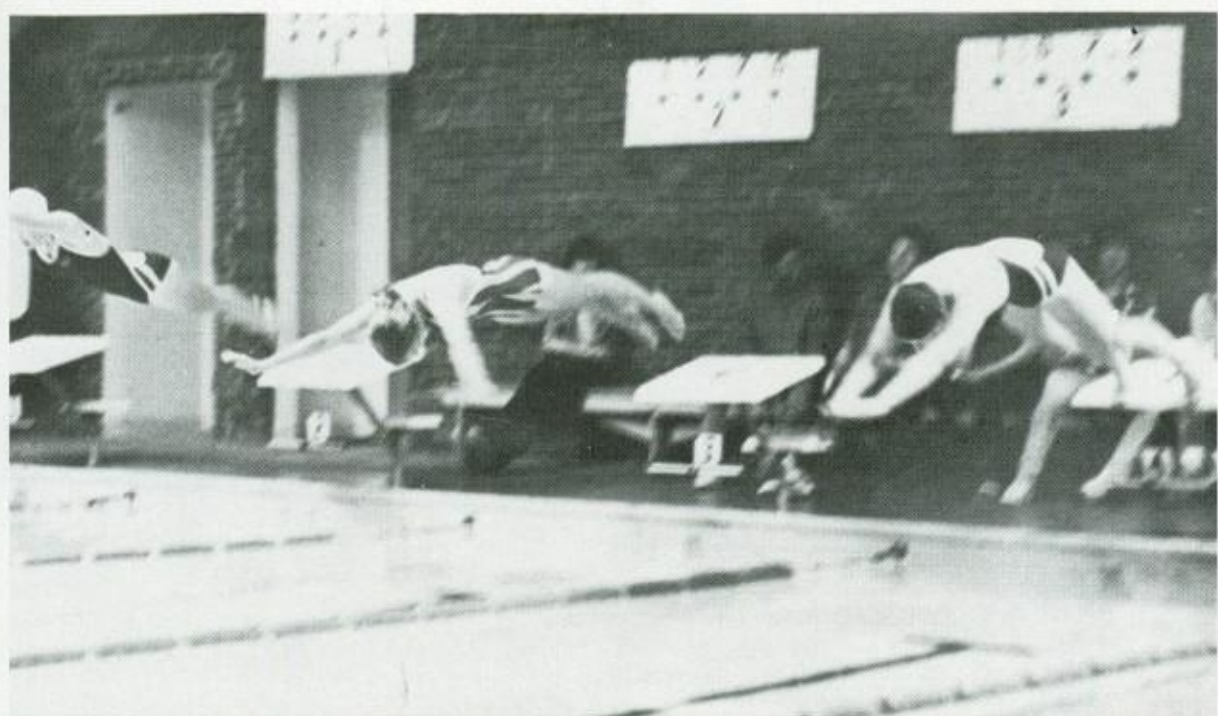

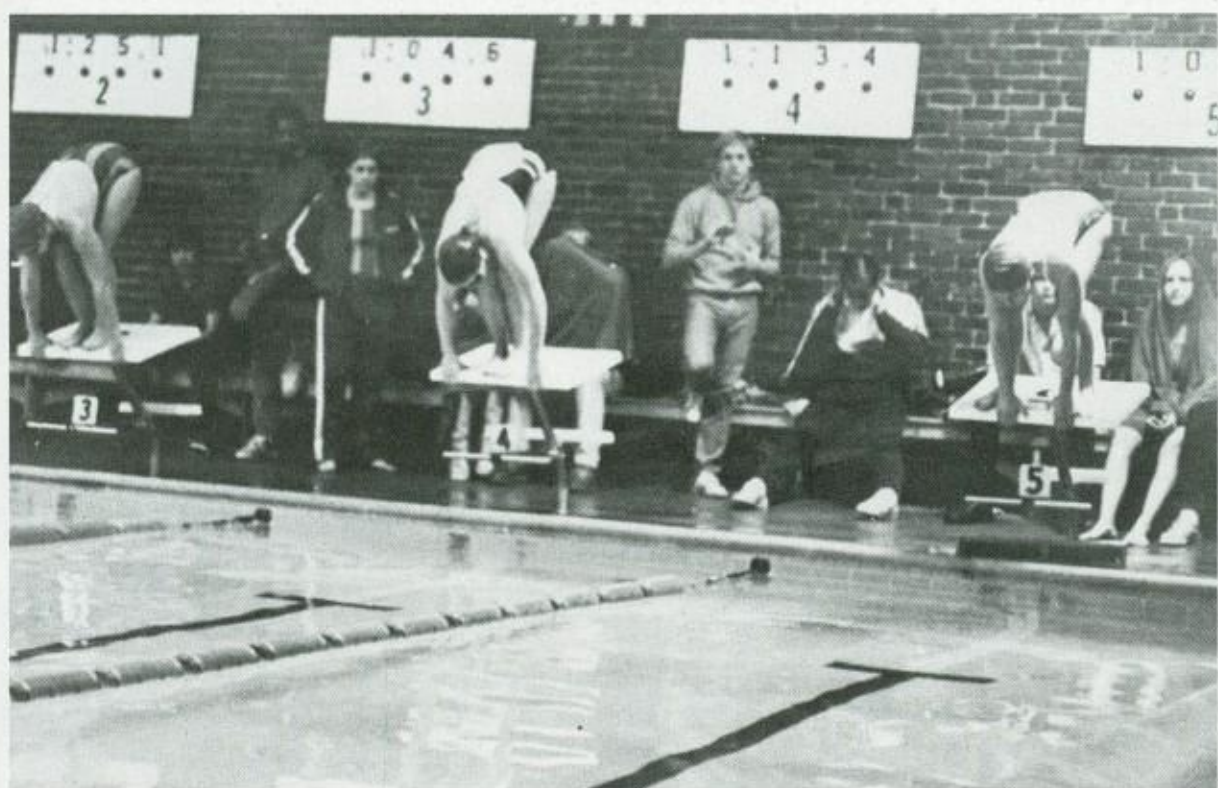

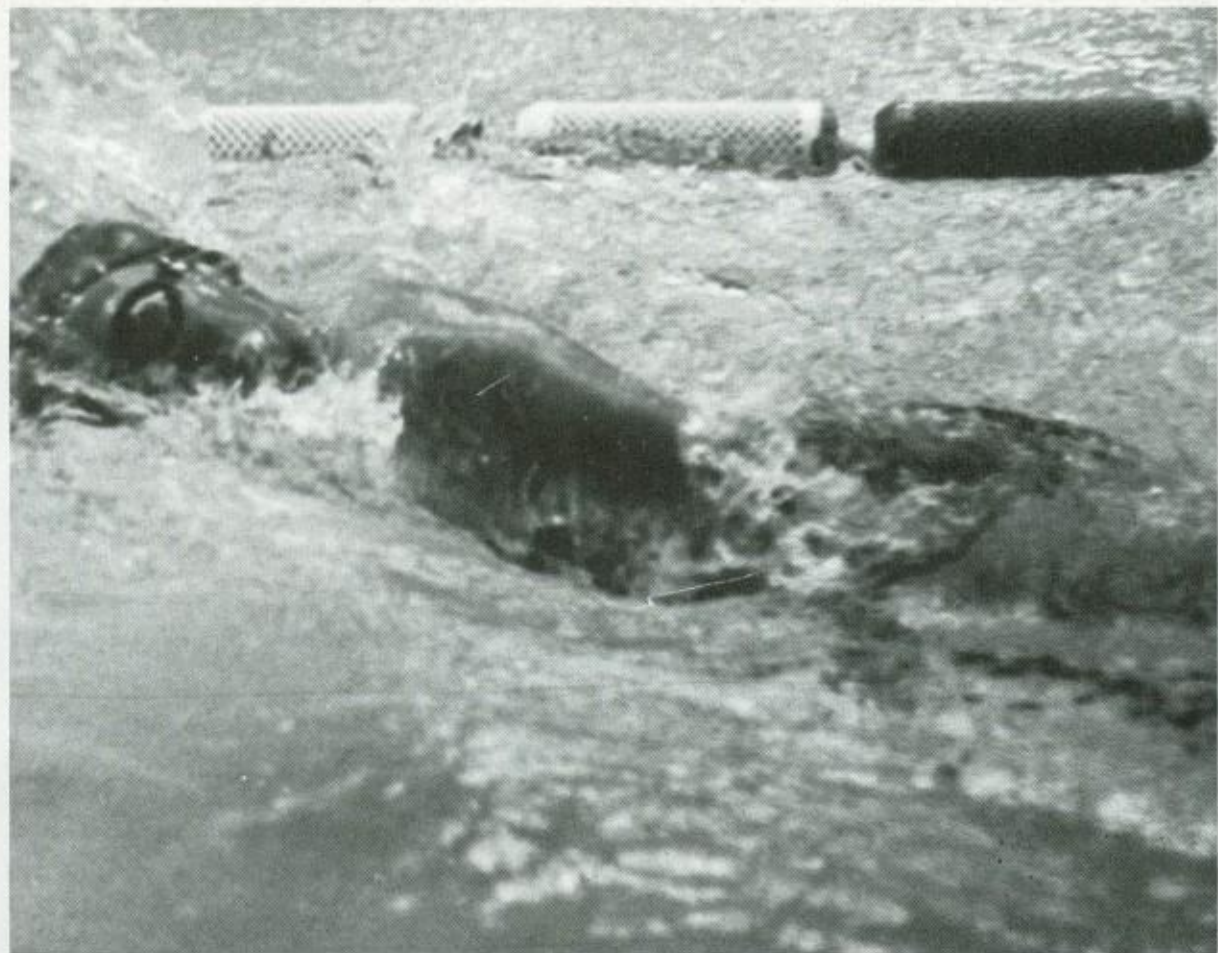

A special thanks to the dedicated coaches- Jerry Holtrey, Nat Carter, and Todd Heath; managers- Lisa Gaynor, Cindy Raffel and Christy Fotheringham; as well as all the parent supporters.

# WRESTLING

The 1980-81 varsity wrestling team had a very successful campaign as they posted an 11-5 dual meet record. The eleven victories tied a school record for the most victories in a season. There were four new school records set this year. Bob Fisher set the Longest Dual Meet Winning Streak record by winning 28 consecutive matches from 1979-81. Hugh Gettig set two records: Most Takedowns in a Season (36) and Most Takedowns in a Career (57). The Most Team Points in a Career record was acquired by Paul Frankmann; he received 493 over a three year period.

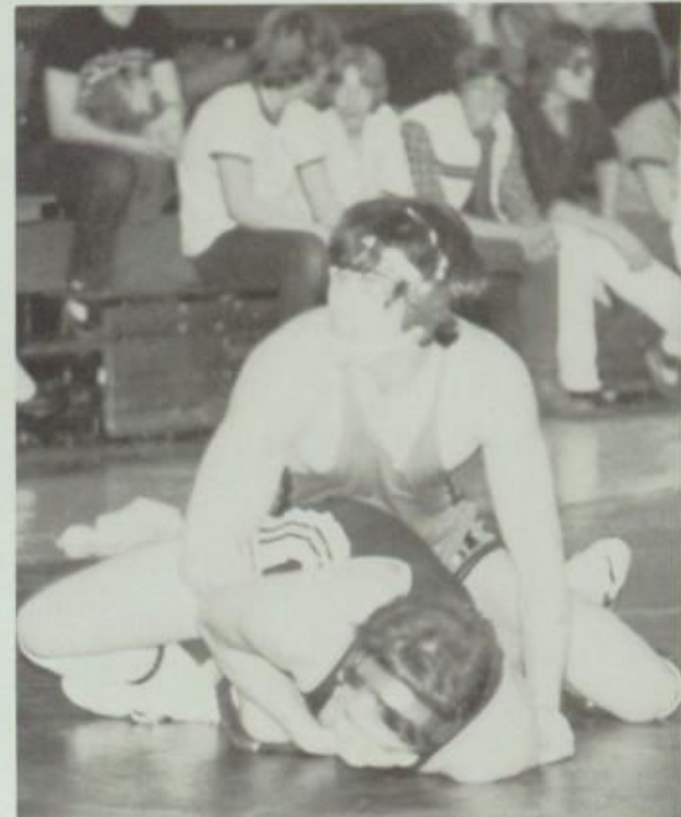

This wrestling team was one dominated by seniors. The senior varsity members were: Paul Frankmann (112), Warren Walborn (126), Dan Geller (126), Brent Delman (132), Jeff Turi (138), Steve Warner (155), Mike Greenberg (167), Bob Fisher (175), and Mike Wagner (Hvy). Junior David Zellinger (132) and Sophomores Hugh Gettig (119) and Dan Pak (155) played an instrumental part in the teams successful season. The wrestlers with outstanding, individual records were: Bob Fisher (16-1), Paul Frankmann (16-2-1), Steve Warner (15-4), Hugh Gettig (13-4-3), and Mike Greenberg (13-4).

The highlight of the season came in the sectional, deistrict, and state tournaments. In the sectional tournament, Hawken crowned two champions, Paul Frankmann and Bob Fisher. The Hawks finished third overall and sent eight wrestlers to the district meet: Frankmann, Gettig, Delman, Turi, Warner, Greenberg, Fisher, and Wagner. At districts, Bob Fisher won in his weight class and was the only one to advance to the state meet. After the state meet Bob was the second best wrestler in the state of Ohio in the 175 lbs. weight class and the second Hawken wrestler to ever make it to the state meet.

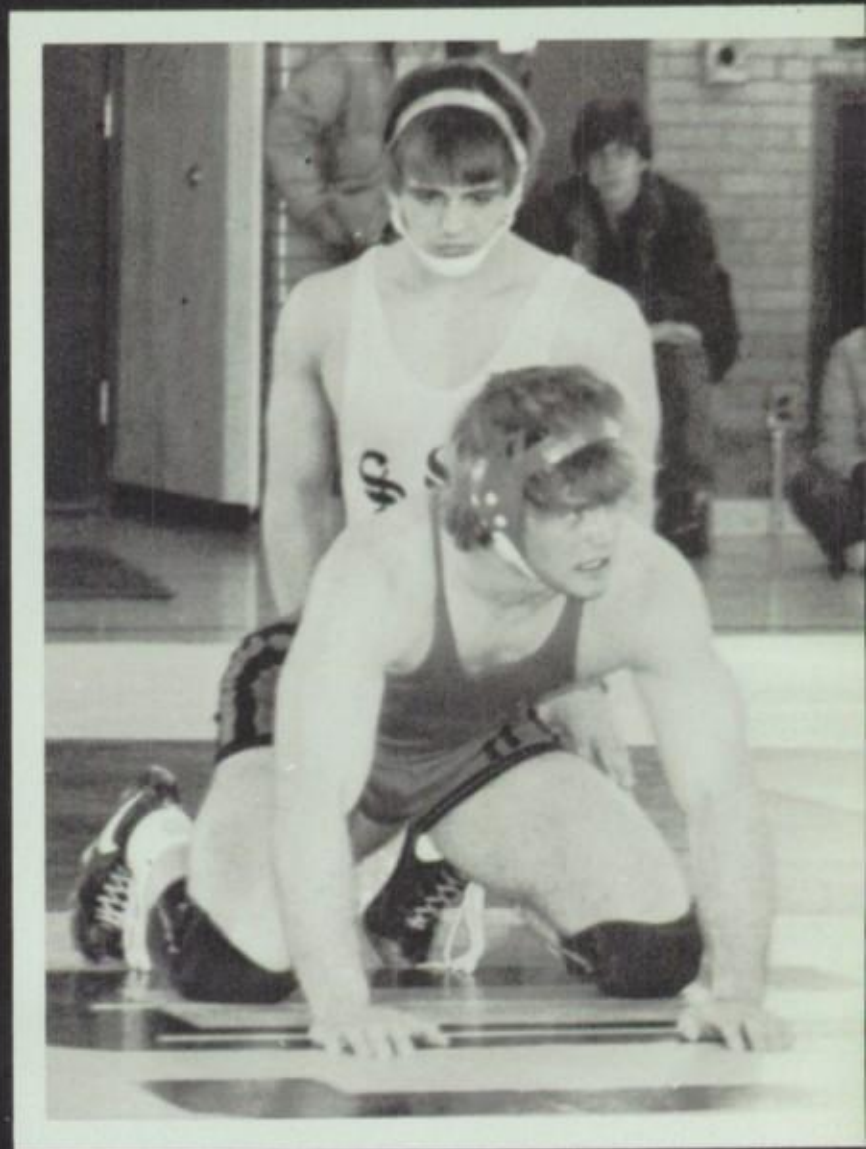

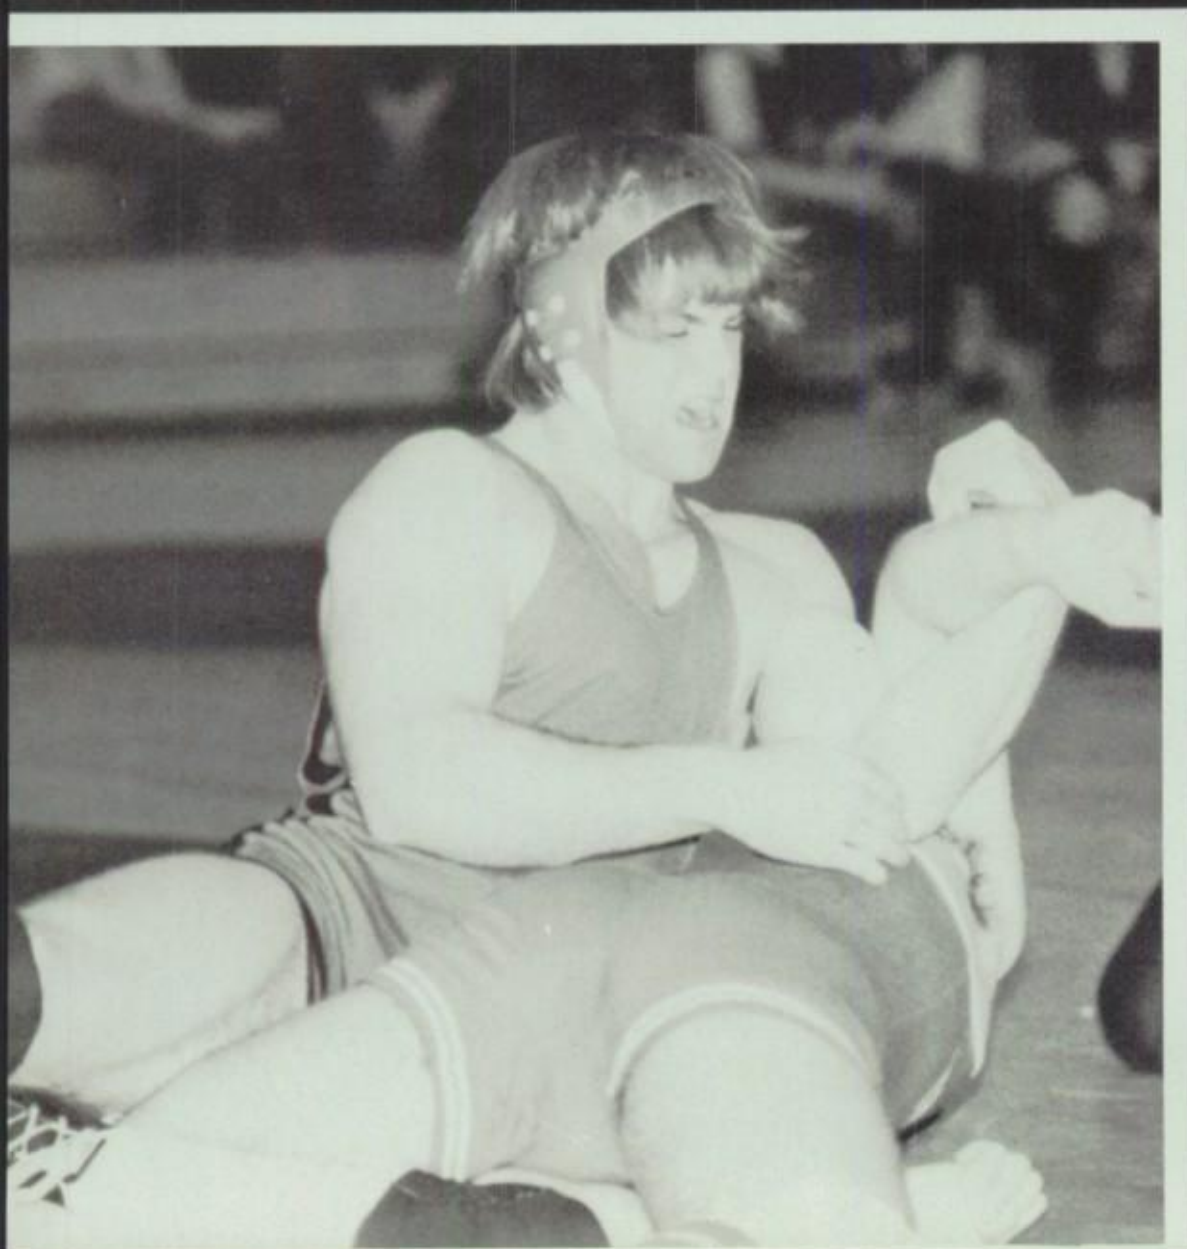

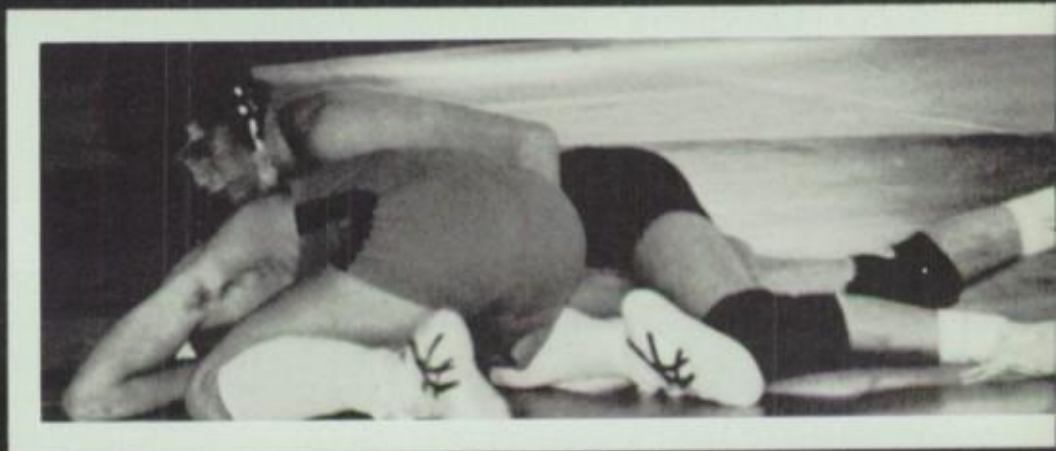

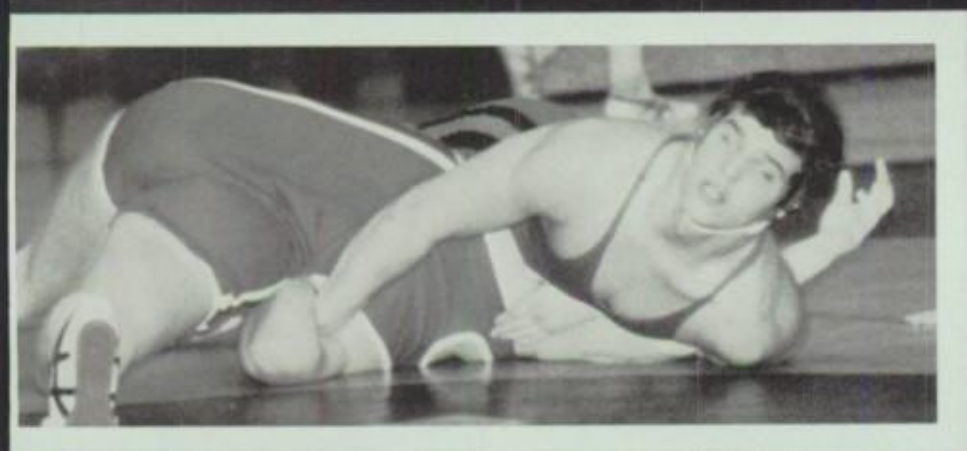

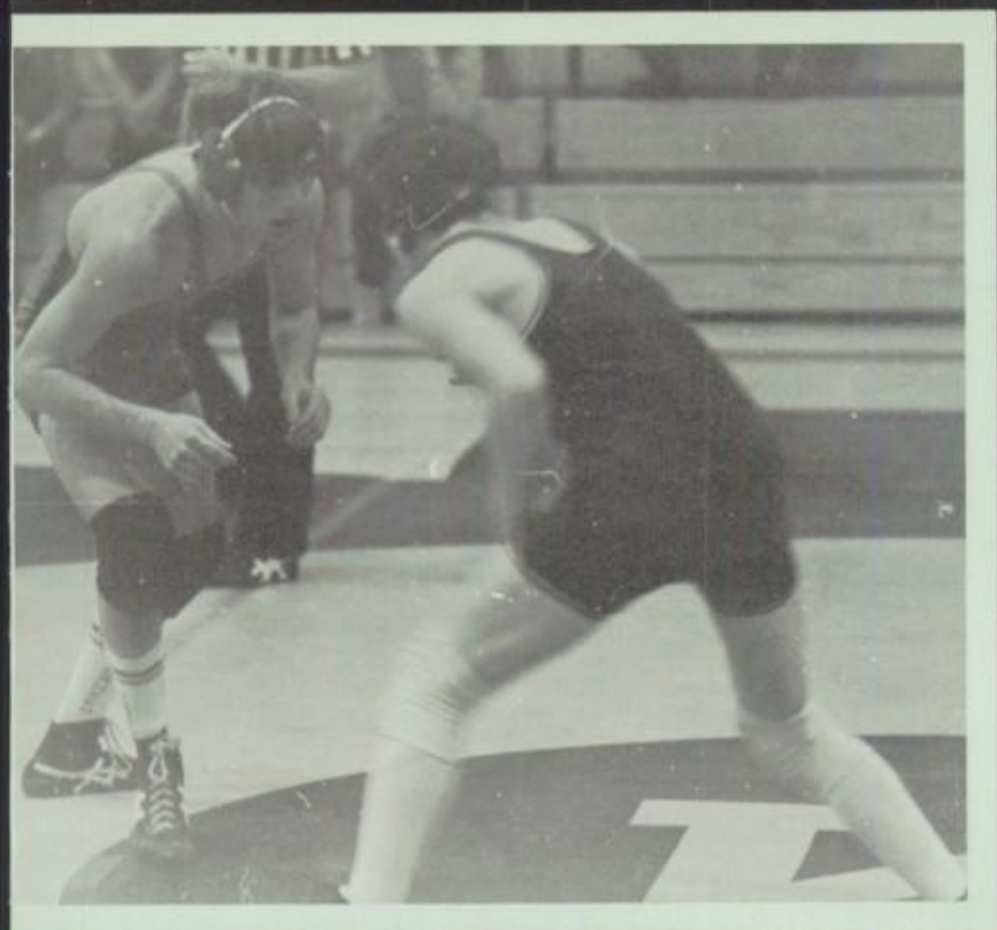

With nine seniors leaving, next year's team will be composed mostly of this year's junior varsity team: Mike Bechkowiak, Rich Green, Dorry Patchin, Mike Ma, Dave Feingold, Jim Kazmer, David Korman, Nick Peay, and David Reavis.

**BACK ROW L-R:** Mike Greenberg, Mike Bechkowiak, Hugh Gettig, Coach Walton, Mike Ma, Steve Warner, Mike Wagner. **2nd ROW:** David Zellinger, Jim Kazmer, Rich Green, David Reavis, Dave Feingold, Dorry Patchin, Brent Delman, Warren Walborn, Dan Geller, Dan Pak. **1st ROW:** Jeff Turi, Bob Fisher, Paul Frankmann.

# BOYS' TENNIS

This year's tennis team finished with an 8-9 record. With only two players returning from last year's varsity, this was understandable, but disappointing, nevertheless.

Captain and Old Board award winner Paul Nahra was the first singles player all season. Nahra could usually be depended upon for a victory; he finished 19-2. Playing second singles was surprising freshman Greg Schmidt. Schmidt was surprising in that, as a freshman, he was the second best player on the team. It was also surprising that with his superb serve, groundstrokes, and volleys, he couldn't win more. Greg finished up 7-10.

Playing third singles was returning junior Ken Cramer. Cramer was as solid a third player as anyone could ask for. He won 11 matches this year and lost 6.

The doubles teams were crippled this year by inexperience. Out of five doubles players, none had any varsity experience. Only three had even played on the junior varsity. Junior Dave Ross and freshman Aaron Belkin played first doubles most of the year, yet seemed to have conflicts in their doubles style that were never worked out. Because the doubles teams were often changed around, individual records have been unavoidably obscured.

Seniors David McCreery and Bruce Alfred and junior David Lader all alternated at the second doubles spot this year with Alfred usually being paired with one or the other. All three of these players had their moments of glory during the year.

Sectional competition saw half the team use aliases because of last minute switches. The real players (with their faked names in parenthesis) performed with collective anonymity. McCreery (Lader) lost his singles match. Alfred (Alfred) won his first match but lost his second. Ross and Lader (Ross and Belkin) lost to the eventual third place finishers. Ken Carmer lost to the fourth seed.

The farthest advance came from the doubles team of Nahra and Schmidt. These two won their first three matches, and returned to the competition the second day. However, they lost to the state's eventual third place finishers in three sets. They then lost to the same team that beat Ross and Lader-Belkin to end Hawken's Tennis season.

# GIRLS' TRACK

A "building season" is the best way to describe this spring for the girls' track team. With a majority of 9th and 10th graders, the young and inexperienced squad was led by first year coach Valerie Fawcett. Although they finished the season with a 1-3 record, the determination and hard work that characterized this group of young ladies can not be measured by statistics. By the end of the season the once novice runners had placed 7th in sectionals, sent 6 girls to districts, and one runner to states. The constant pushing and excellent coaching of Miss Fawcett had payed off!

The team was composed of many underclassmen this spring. Running the 400 and 800 meter relays were junior Dennie Eaton, and sophomores Natalie Lowe, Sherri Lyons and Susie Peppercorn. The two mile relay team of junior Liz Peay and frosh Liz Hosmer, Tara Frayne, and Laurie Tatalick ran a superb sectional race and advanced to districts. The mile relay team was made up of sophomores Stephanie Levin, Stephanie Chiapetta, Pam Cole and frosh Tatalick, while other sprinters on the team included junior Wendy Bauer, sophomore Joyce Lovelace, and freshmen Missy Purdy, and Jenna Rose.

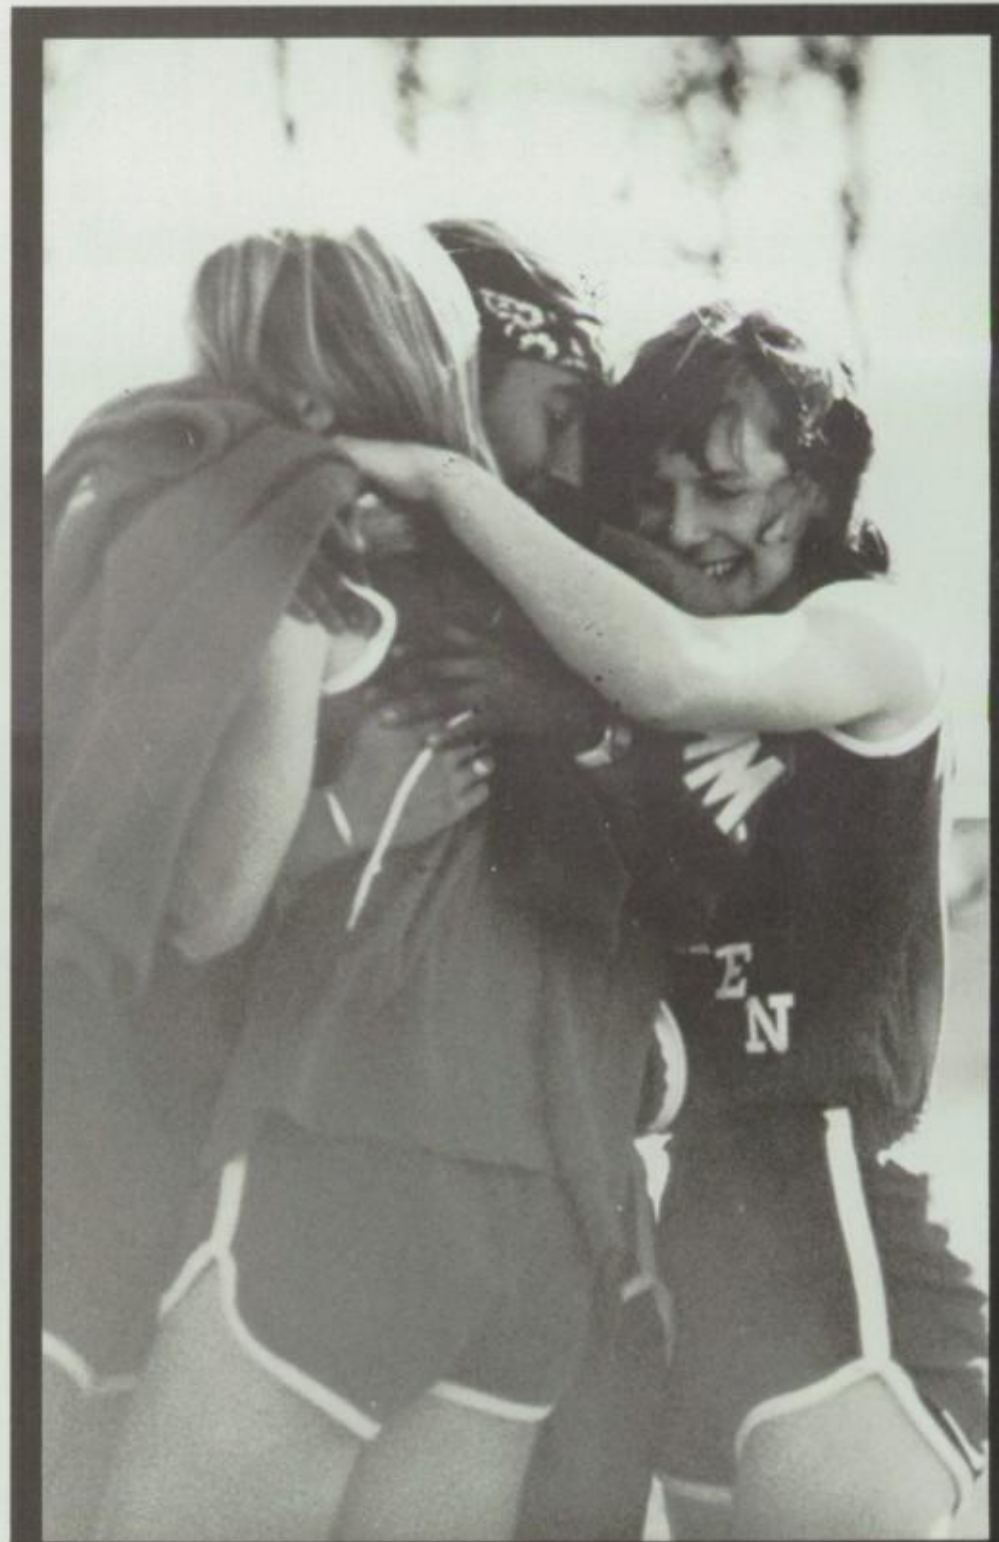

Fred Hoffman coached the long distance runners on this year's squad. Liz Sobel, Tara Frayne, Liz Hosmer, Wendy Bauer, Laurie Tatalick and Liz Peay made up this group, while the field events were handled by Lauren Brittenum, the team's lone senior, and sophomore Sherri Bergman.

The true bright spot in the season was the outstanding sectional, district and state performances. In sectionals Tara Frayne advanced to districts in the 800, as did the two mile relay team and Sherri Lyons in the 100 and 200 meter dashes. Freshman Frayne became the only girl to advance to Columbus and proceeded to place 7th in the state.

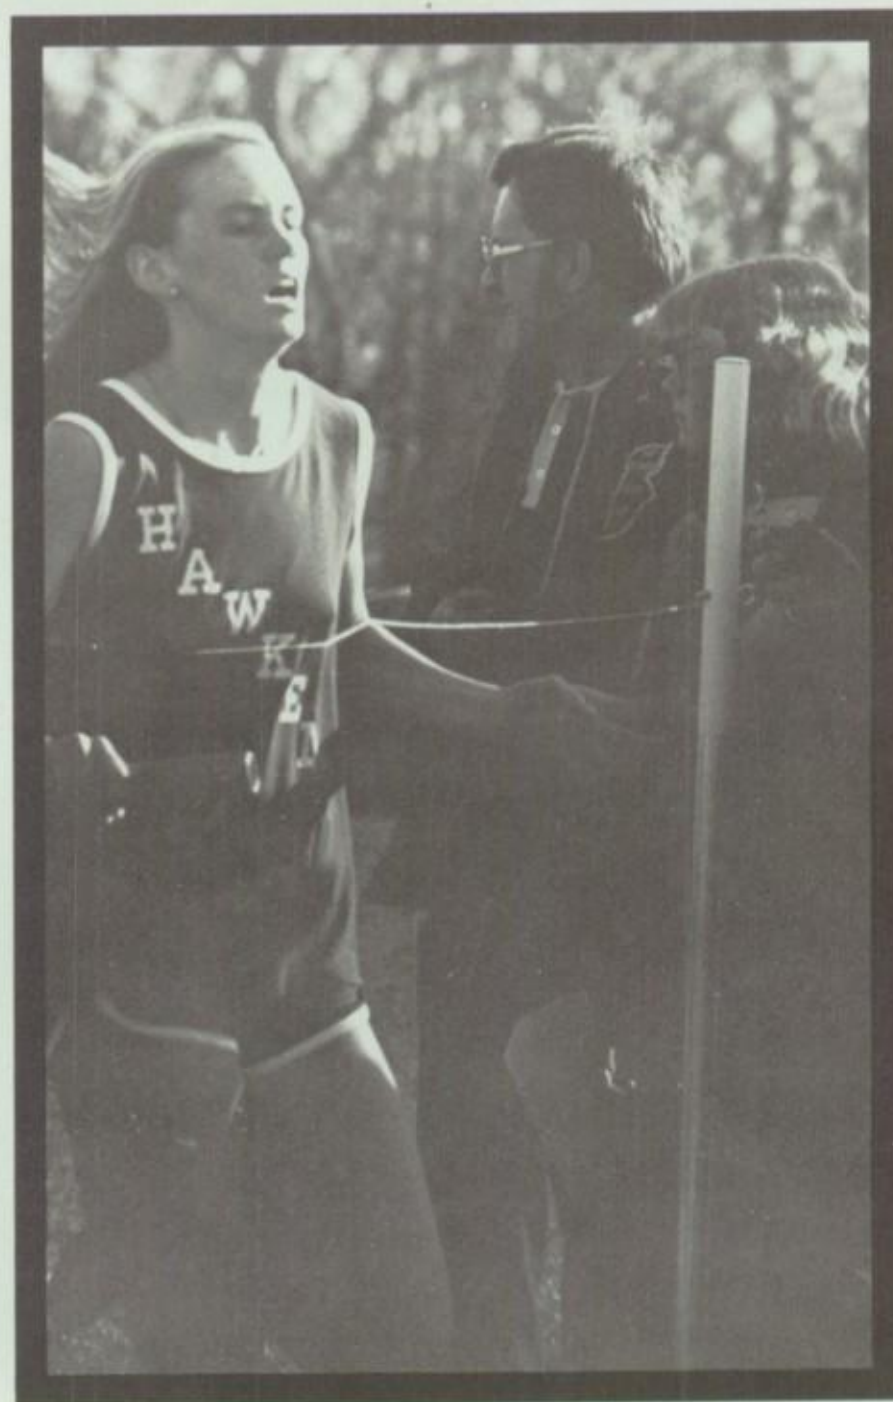

Thus, although at times a season of defeat, this spring proved to be a season of improvement, and after losing only one senior, the future looks very bright for girls' track at Hawken School.

# BOYS' TRACK

Hawken's boys' Track team was nearly unbeatable as the team pulled its way through the season. One of the best all around teams in Hawken's history, they placed second in Sectionals, first in Districts and fourth in the State. In states, Hawken sent more boys than ever before. These included seniors Harlan Ullman, Matt Harthun, David Scharf and Todd Kneale. Juniors Mark Dettelbach, Len Slodov, Eric Hamilton and Martin Schultz (as an alternate in the 400 meter relay) and Freshman Scott Hamilton.

The team was very successful in Columbus as the Hawks placed fifth in the state in the 400 meter relay (Dettelbach, S. Hamilton, Ullman, Harthun) and fourth in the 1600 meter relay (Slodov, Kneale, Scharf, E. Hamilton). Individually, Scharf placed third in the 400 meter dash and fourth in the 200 meter dash, and Eric Hamilton placed first in the 800 meter run.

Although they did not go to states, Junior Steve Phillips set many school records in the high jump and Martin Schultz mastered the long jump. Rob Daroff, Chris Cadow and Rob Zollinger were the throwers for the team. Bill Wood and Dave Zellinger were dedicated vaulters who improved steadily through the season. Sophomores Hall Kirkham, Chris Pike and Greg Green along with promising freshmen Al Porter, John Caston and Wayne Lawrence were the utility men. They ran in the hurdles, high jumps and even the 400 meters. The distance team consisted of Peter Ragone, Jim Kazmer, Jeff Reed, Peter Evans, Wolfe Tone, Chris Earle, Matt Streeter, Nick Peay, Tom Frayne, Hugh Gettig, Jeff Hoffman, and Todd Kneale. Jamie Reavis, also a distance runner, provided undying spirit and a great deal of enthusiasm.

David Scharf received the Old Board Award and the Barney Award. Matt Harthun received the Coach's Award, and Steve Phillips was the Most Improved.

The varsity record was 8 - 1, while the J.V. record was 2 - 1 vs. the likes of Shaker Heights and W.R.A.

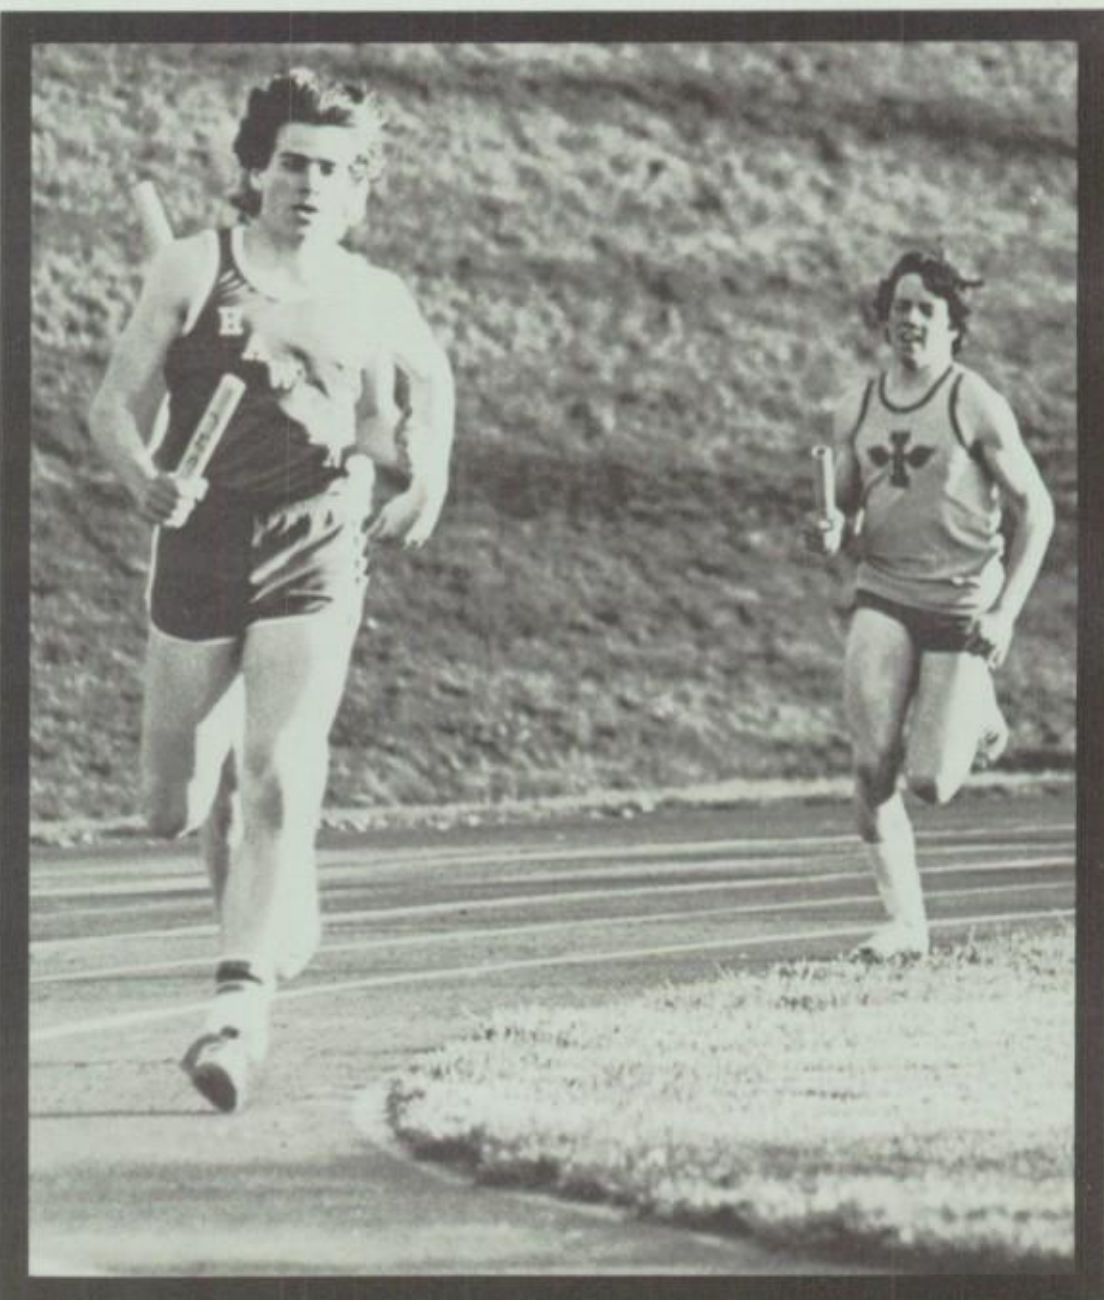

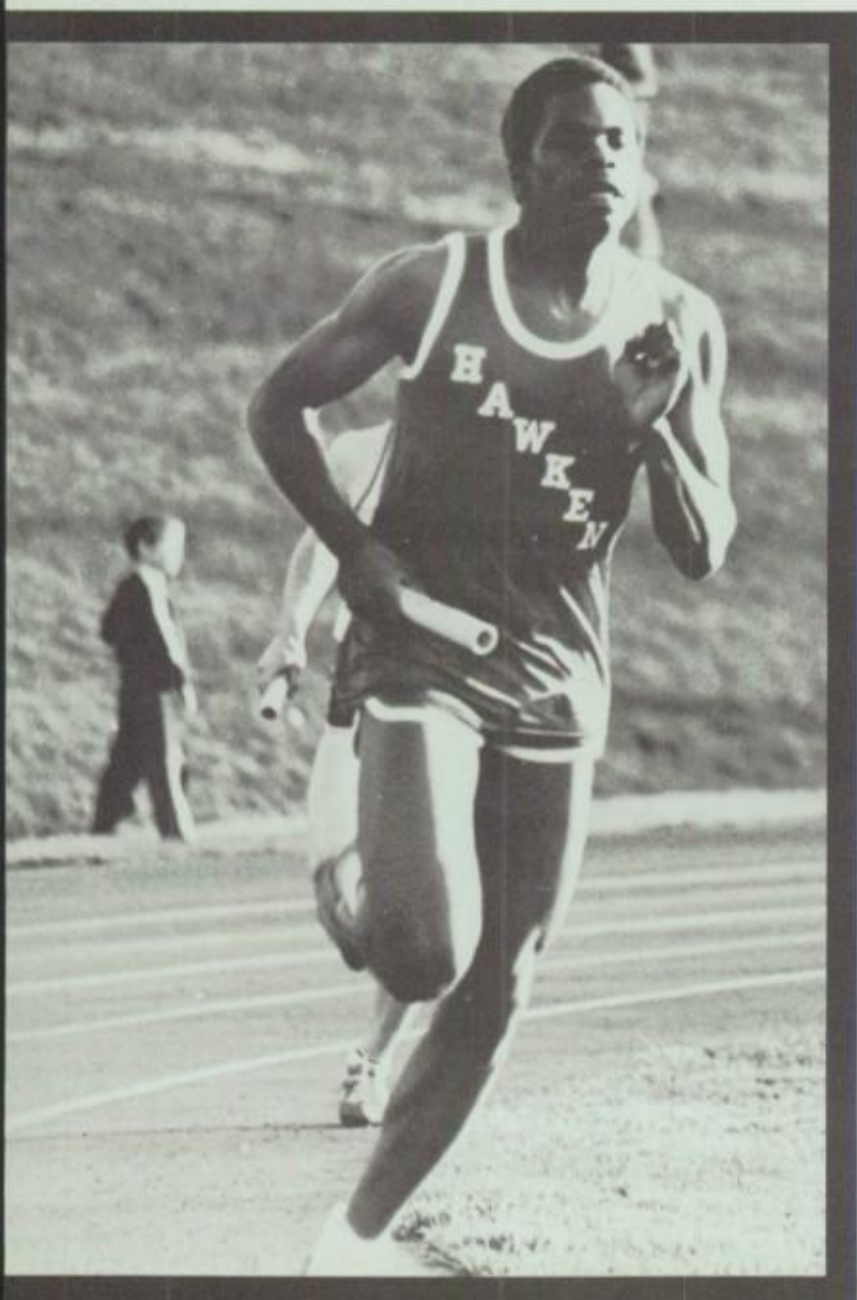

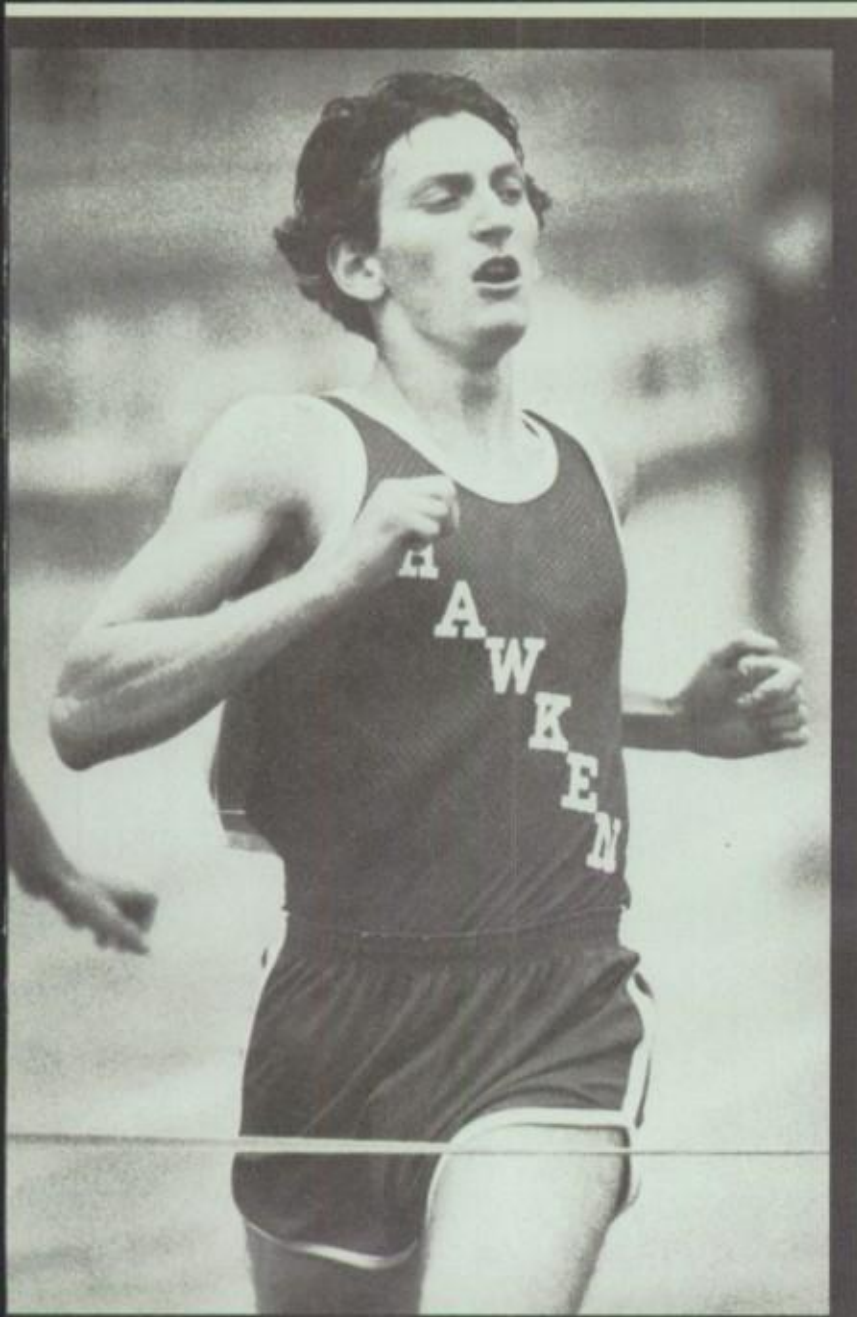

Coaches Dave Coad and Fred Hoffman did an excellent job of handling the talent put before them and put Hawken on the map.

# SOFTBALL

This spring the girls' softball team, coached by Ron Robinson, Nat Carter and Jim Bresnicky, compiled a 21-5 record, the best in the team's history. Included in this outstanding record are a first place finish in the Hawken Tournament and a second place finish in the N.E.O. District Tournament.

This year's team was led by seniors Rachel Mann, Jane Selis, Sharon Marsee and Beth Hellerstein. These four had the team leadership and experience which proved essential in the tense tournament games. For example, in the Hawken Tournament, short centerfielder Selis was named Tournament M.V.P. for her outstanding offensive and defensive performance, and Marsee was named to the All Tournament team for her unblemished pitching record. In the N.E.O. Tournament, which spanned over four weekends, shortstop Mann was named the N.E.O. most valuable player, even though the team only finished in the runner-up position. It was this kind of hard work and drive that moved the team so successfully. In addition to these honors, sophomore third baseman Nancy Harthun was named to the Hawken All Tournament Team, Rachel Mann was selected as a PresStar, and Mann, Harthun and Selis were nominated to the Plain Dealer All-City Team.

Besides the four seniors, this year's squad was quite young and inexperienced as three freshmen, three sophomores and four juniors rounded out the lineup. The infield, after a lot of shifting around, was very strong, with Harthun at third, Mann at short, newcomer Jackie Svete at second and junior Linda Alemagno at first. The outfield saw Hellerstein in left, junior Anne Bresnicky in center, Selis in short center, and freshman Mindi Kogan in right. Senior Sharon Marsee handled most of the pitching duties, compiling an outstanding 11-4 record, while Hellerstein, Bresnicky, and Kogan helped out. Sophomore Karen Warner handled the duties behind the plate.

Seeing a lot of duty off the bench were junior Lisa Deighan, Sophia Lorenzo, Lora Fader, Penny Palevsky, and Fran Bourne.

The strength of this year's team is obvious by the number of school records broken during the season. Old Board winner, Rachel Mann, leaves Hawken with four titles — R.B.I.'S, hits, total bases and home runs. Nancy Harthun broke the triples record, and Mindi Kogan captured the most walks. Sharon Marsee had the winningest season in Hawken's history, and Beth Hellerstein was undefeated on the mound.

Finally, the spirit and determination that this spring's team exhibited was unlimited. They were a true team. The season was dedicated to Coach Carter when he unfortunately had to leave during the middle; and his love and dedication for the team was greatly missed by all.

# BOYS' BASEBALL

The boys' baseball team, under the coaching of Bob Spicer, compiled an 8-14 record this spring. Because Coach Spicer is leaving Hawken at the end of this year, the final season as head baseball coach was a special one, and a major goal for the team was to win his 100th career game. Unfortunately, due to bad weather and rains, the team had to cancel many games and fell one short of this mark.

This year's team was led by seven seniors including captain and Old Board winner Mark Hoffman. The versatile player pitched, caught, played second base, and led the team in R.B.I.'S. 3rd baseman Juan Antunez had the best batting average on the team (.347) and led the squad in extra base hits. Catching and alternating in right field with Keith Palevsky was Mark Deutsch, and one of the best defensive players on the team, Neil Lasky, manned center field. 1st baseman Jeff Schwartz lended a very consistent offensive punch to the lineup, and, rounding out this group of talented seniors, Roy Krall filled in as a utility player. This year's juniors were equally outstanding with season M.V.P. Peter Henkel leading the way. Henkel played shortstop and was also the squads most successful pitcher. His outstanding fielding and powerful bat led the team to many victories. Henkel was joined by classmates Ted Esselstyn, who played 3rd base and pitched, Mark Suguichi in the outfield, and subs Mike Jaffe and Ken Blake. Rounding out this year's team were sophomore standouts Brad Bryan, who played center field, Tony Fosky, and Frosh Derek Slesh. Bryan led the team in stolen bases, Fosky provided outstanding relief on the mound, and the lone freshman Slesh was a definite surprise. His great catching and superior pitching made him one of the team's most valued players.

With five returning pitchers and outstanding underclassmen such as Bryan, Fosky, and Slesh, next year's baseball team should be quite successful. This year's seniors, however, will be greatly missed as they have demonstrated hard work, dedication and leadership to others for the last four years.

## IN MEMORIAM

R. Livingston Ireland died April 21, 1981, at the age of 86. An active member of the Board of Trustees since 1931, he served as its Chairman from 1932 to 1964 and personally guided the school through the difficult years of the Depression. He oversaw the school's growth and physical expansion; in 1961 the Hawken community demonstrated its gratitude to Mr. Ireland when the new Upper School academic building was named in his honor.

Mr. Ireland was Hawken's strongest individual supporter, a man continually dedicated to involvement in the ongoing affairs of the school. Hawken School owes its survival to his efforts. The plaque bearing Mr. Ireland's name is inscribed: "Whose vision, devotion, and energy built it and will continue to inspire our endeavors."

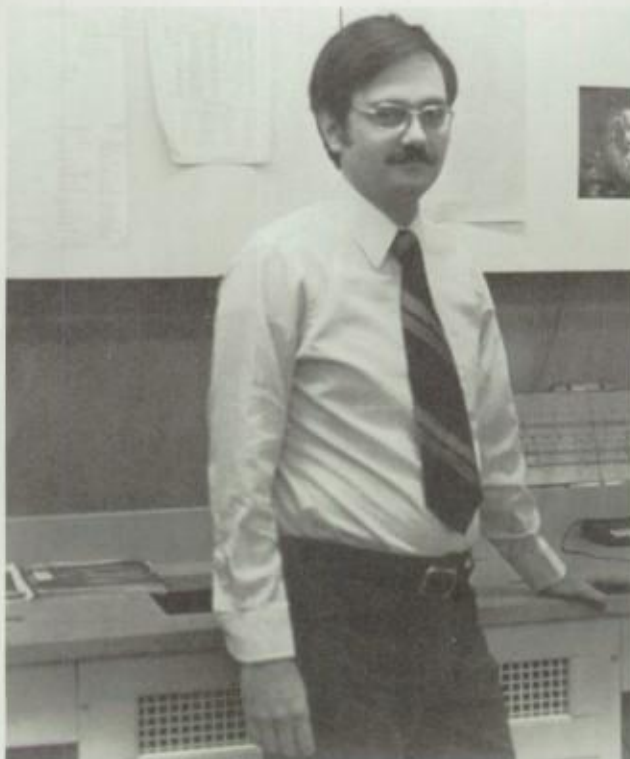

# THANK YOU AND GOOD-BYE

The Hawken Community says good-bye to some special friends who will be leaving us at the end of the school year. Mr. Everett, Dr. Cerutti, Ms. Hanson, Ms. Webb, and Mr. Henry have all added their unique touch of individuality and expression to Hawken and will be truly missed. We wish them luck in the years to come and let them know that even as they leave we are thankful for their contributions and friendship.
